

Essay 1 – English 102
Mrs. Matayabas
Fall 2012

Censorship: What it means to me and all of America

First read and respond to the article “What is Censorship” by the GILC posted under “Handouts” on the class website. In a full 2 page essay, respond to the article and relay experiences that have helped you form your attitudes toward censorship. Perhaps you haven’t thought about censorship before? It’s time to think about it now and you should spend some time talking to respected peers, friends, and family members about censorship. Through those discussions, and further research if needed, begin forming your own opinion.

You may find it helpful to recall a time you decided to “self-censor” or a time you decided to exercise your right as a citizen to “freedom of speech” and chose to share your opinions. Often, our decisions to censor ourselves or share our opinions begin a chain of events that cause us to appreciate our freedom of speech or contemplate censorship.

Be thoughtful of your audience in your organization and thorough description by using examples and narratives. Remember to come to some conclusion as to why your view of censorship is significant to others and the concept of free speech.

Remember, the first essay is always an opportunity to “show off” your writing skills for your college English Instructor. Allow yourself to be creative!

Follow all essay format instructions and review the grading rubric (both are included in your ENG 102 course description) to gain a better understanding of how this essay will be graded.
Good Luck!

Due Date: September 1st

Samples Of College Research Paper

Michael Brown

Samples Of College Research Paper:

College Research Papers For Dummies Joe Giampalmi, 2023-07-12 Get ready to take on your first college research paper like a pro Just got assigned your first college research paper Don't sweat it College Research Papers For Dummies has your back with the perfect companion to these not as hard as they look assignments Discover how to research argue problem solve analyze and synthesize your way through even the densest material Find out how to best revise and rework your paper until it's a polished gem Plus get some quick tips on higher level research papers such as literature reviews and white papers Accurately cite references using APA MLA and Chicago styles Take advantage of all the resources available to you as you write your first research paper from your university's library databases to your local college center's support services Develop common research paper writing techniques including argumentation research questions and thesis statements Don't wait until the night before your paper is due Grab a copy of College Research Papers For Dummies today and ace that first research paper like we all know you can *The College Student's Guide to Writing a Great Research Paper* Erika Eby, 2012 the required word count **Research Paper NE**, 1987 Researcher's Guide: Templates and guidelines for Research article in SCI journal Dr. M.
