,2009 **Driving Customer Equity** Valarie A. Zeithaml,Katherine N Lemon,Roland T Rust,2001-02-21 In their efforts to become more customer focused companies everywhere find themselves entangled in outmoded systems metrics and strategies rooted in their product centered view of the world Now to ease this shift to a customer focus marketing strategy experts Roland T Rust Valarie A Zeithaml and Katherine N Lemon have created a dynamic new model they call Customer Equity a strategic framework designed to maximize every firm s most important asset the total lifetime value of its customer base The authors Customer Equity Framework yields powerful insights that will help any business increase the value of its customer base Rust Zeithaml and Lemon introduce the three drivers of customer equity Value Equity Brand Equity and Retention Equity and explain in clear nontechnical language how managers can base their strategies on one or a combination of these drivers The authors demonstrate in this breakthrough book how managers can build and employ competitive metrics that reveal their company s Customer Equity relative to their competitors Based on these metrics they show how managers can determine which drivers are most important in their industry how they can make efficient strategic trade offs between expenditures on these drivers and how to project a financial return from these expenditures The final section devotes two chapters to the Customer Pyramid an approach that segments customers based on their long term profitability and an especially important chapter examines the Internet as the ultimate Customer Equity tool Here the authors show how companies such as Intuit com Schwab com and Priceline com have used more than one or all three drivers to increase Customer Equity In this age of one to one marketing understanding how to drive Customer Equity is central to the success of any firm In particular Driving Customer Equity will be essential reading for any marketing manager and for that matter any manager concerned with growing the value of the firm s customer base **Web Site Design is Communication Design**

Thea van der Geest,2001-01-01 Web Site Design is Communication Design is written for practitioners trainers and students of Communication Business Information Science and Media Design This book is based on a series of case studies of the web site design processes in smaller and larger organizations including Amazon and Microsoft It offers a well researched reflective and thorough analysis of the activities undertaken in combination with practical real life experiences of web site designers and producers It pays attention to the often complicated organizational context that web designers and producers have to work in while they serve both bosses and target groups to their best intents The importance of careful evaluation is

stressed throughout the book and the in concluding checklists which guide the practitioner through the design process from initial idea through site maintenance and re design *Wine Enthusiast* ,2006 *Folksonomies* Isabella Peters,2009 Collaborative information services on Web 2 0 are used by Internet users to produce digital information resources and to furnish the contents of the resources with their own keywords so called tags This book deals with collaborative information services and folksonomies as a method of representing knowledge and a tool for information retrieval Collaborative information services on Web 2 0 are used by Internet users not only to produce digital information resources but also to furnish the contents of the resources with their own keywords so called tags Whilst doing so the user is not required to comply with rules as is necessary with a library catalogue The amount of user generated tags in a collaborative information service is referred to as folksonomy Folksonomies allow users to relocate their own resources and to search for other resources This book deals with collaborative information services and folksonomies both as a method of representing knowledge and a tool for information retrieval **Food & Wine** ,2005-07 *Deep Inside OsCommerce* Monika Mathé,Carine Bruyndoncx,Jim Ekleberry,Karly Phillips,2006-10-01 Ready to use recipes to customize and extend your e commerce website *Web* Mark Pearrow,2001-04 *The Advocate* ,2005-01-18 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *Bed & Breakfasts and Country Inns* Deborah Edwards Sakach,2010-11 Provides information on the locations facilities services decor food and rates of bed and breakfasts and country inns in the United States and Canada *Madison Magazine* ,2004 *Los Angeles Magazine* ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian *HTML* Gary B.
