Wellington Sears Handbook Of Industrial Textiles:

Wellington Sears Handbook of Industrial Textiles Ernest R. Kaswell, 1963 *Wellington Sears Handbook of Industrial Textiles* Sabit Adanur, 2017 The Wellington Sears Handbook of Industrial Textiles has been a widely used textile industry reference for more than 50 years. Now a completely updated new edition has been published. It was prepared by a team of industrial textile specialists at Auburn University to provide both technical and management personnel with a comprehensive resource on the current technology and applications of today's industrial textiles. All aspects of industrial textiles are covered: man-made and natural materials, manufacturing and finishing methods, and all applications. There are also sections on properties, testing, waste management, computers and automation, and standards and regulations. The appendices provide extensive reference data: properties, specifications, manufacturers and trade names, mathematical equations, and measurement units. The text is organized for easy reference and well illustrated with hundreds of schematics and photographs.
