Welsh Fairytales and Other Stories P. H. Emerson,2003-10-01 Welsh Fairy Tales Elliot William Griffis,2007-12-01

Welsh Folk-lore: a Collection of the Folk-tales and Legends of North Wales Elias Owen,1896 *Welsh Fairy Tales. Famous Welsh Bardic Stories* WELSH FAIRY TALES.,1943 **Welsh Fairytales** W. Jenkyn Thomas,2015-02-06 I found when schoolmastering in South Wales that all the fairy books in the school library were in such constant demand that they rapidly wore out This led me to inquire whether the readers were familiar with the fairy mythology of their own country While however they were learned in the folk lore of other nations they were with few exceptions ignorant of the Fair Family and other legends of Wales Further inquiries convinced me that boys and girls throughout Wales were generally in the same case When remonstrated with my pupils excused themselves on the ground that no Welsh fairy stories had been related to them and that there was no handy collection which they could read On reflection I had to recognise that there was much more justice in this plea than in the vast majority of excuses with which I had to deal The practice of narrating fairy stories has certainly almost died out in Wales and strange as it may appear in these days when young readers are so lavishly catered for it is a fact that no Welsh fairy book has been compiled for boys and girls After waiting in vain for a more competent editor to undertake the work I have prepared this book primarily with the object of depriving Welsh school children of the defence put forward by my quondam disciples but at the same time hoping that the Welsh variants of the universal folk tales will interest a wider circle of readers **Welsh Fairy Tales** William Elliot Griffis,2020-02-25 After the Cymric folk that is the people we call Welsh had come up from Cornwall into their new land they began to cut down the trees to build towns and to

have fields and gardens Soon they made the landscape smile with pleasant homes rich farms and playing children They trained vines and made flowers grow The young folks made pets of the wild animals cubs which their fathers and big brothers brought home from hunting Old men took rushes and reeds and wove them into cages for song birds to live in While they were draining the swamps and bogs they drove out the monsters that had made their lair in these wet places These terrible creatures liked to poison people with their bad breath and even ate up very little boys and girls when they strayed away from home
