*Prince Rupert's Drop* Charles Gautschi III, 2019-12-20 Prince Rupert's Drop book presents a timeless plot An atheist sets out on a journey to disprove God's existence Things don't turn out exactly as planned The book's central character Rupert Austin plays both antagonist and protagonist in equal measure The former as a dark and disturbed boy with no empathy no compassion no love and no guilt for any of it Rupert has only one emotion fear and from there fear's timeless bedfellow hate You see Rupert is a severely autistic multiple savant He's statistically one out of ten billion since the dawn of man A child that talks at birth won't feed from the breast won't open its eyes covers its ears and lashes out to communicate displeasure because it can't stand the noise of its own voice Such a child would die on its own of starvation be culled as weak or be persecuted as a witch demon But most importantly if the child survived long enough to get the strength Rupert's lot would kill itself Every single time The setting is in the mid twenty first century It's the time of a sweeping American revival called the Wildfire Outside America the world is literally in flames due to massive uprisings of isolated ghettos We follow Rupert through high school He shuns a loving mother and is manipulated by an abusive father He is adopted by a classmate to be protected and tamed She is largely successful until she unwittingly leads Rupert into an exorcism by a spin off Christian cult Rupert almost dies Rupert seeks revenge To get it he will attempt to destroy the thriving mythology of a higher power If you clip the tail the head will die Prince Rupert's drop Rupert seeks out a partner for his proposed crime against humanity Winchester Carnegie II the richest man alive Together they will exploit the world's most powerful computer She's a sentient computer and performs heinous acts to achieve their goal ridding man of God The computer is narcissistic and a sociopath She has even less empathy than Rupert in the beginning But Rupert is asked a curious question during his rampage You a Judas a Saul or a Paul On the road to Damascus This is a story about a doctor healing himself and not knowing it On Rupert's misguided path he's a coconspirator in horrific genocide shameless execution and a general disregard for life That will change Not only will the doctor heal himself he will release a deluge on the world's inferno
