Werewolf Pack (Monster Breeding Paranormal Erotica) Mina Shay, Rebecca is one of the few human members of a werewolf pack She occasionally joins the pack for a run through the forest However the time of the mating frenzy is closer than she realizes Can she get one more nightly run in with the pack before the werewolves are overtaken by their primal desires This paranormal erotic short story is about 4 400 words *The Maid and the Werewolf Pack* Verity Vixxen , It is said the wolves roam the forest looking for maidens to join with their pack They appear as monsters half man half beast and claim unsuspecting women as their own Hannah knows all the stories of the werewolves that live in the forest beyond her village

She knows they're dangerous and that she should never venture into the woods after dark. But the wolves are calling to her and Hannah doesn't know how much longer she can resist their invitation. She's never been touched by a man, what unspeakable acts will Hannah be forced to endure if she answers the call of a pack of insatiable werewolves? Featuring first time ménage gang oral front and back door double stuffing autoeroticism voyeurism and romance. This is a short stand alone story of 12 000 words describing a wolf man encounter. No cliff hangers. HFN ending. Except I'm running, running from the creatures in the woods. I know now what it is that they want, what they need. I saw everything. Layla was there, my friend spread eagled beneath one of their hairy forms moaning and writhing. The sounds she made. Pleasure and pain mixed together, her voice rising and falling until she let out a howl to compare to the very creatures themselves. Are they still chasing me? My heart is beating so loudly I'm deaf to all else. Why, oh why did I follow Layla into the forest? Why didn't I run home when I had the chance? I've heard all the stories and I knew what could happen and still I came. Curiosity is an urge that few can resist. And now I'm caught with my hand in the cookie jar and I cannot escape. They are following. I can hear padded feet trampling the leaves on either side of me. They're close. From the corner of my eyes I count the moving shadows. Five. Six. Seven. How many creatures are chasing? How many will have their way with me before this night is over? I suck another fiery breath of air. My lungs burn. I cannot run much further and the safety of the village is still so far away. I must face these creatures and in doing so face the desires that burn deep within me. If I'm honest with myself, truly honest, then I know that part of me wanted to be caught like this. Part of me, the wicked, wanton part of me wants to know the truth about the werewolves that haunt our woods. And now I'm going to find out. Werewolf ménage erotica paranormal romance shape shifter ménage adventure submission horror interracial mystery science fiction alpha male shifter shapeshifter fantasy science fiction horror historical werewolves gang bang erotica romance steamy alpha alpha male anal oral double stuffing multiple ménage threesome foursome first time virgin maid maiden untouched voyeurism autoeroticism submission.
