**Covid-19: Interdisciplinary Explorations of Impacts on Higher Education** Tennyson Mgutshini,Kunle Oparinde ,Vaneshree Govender,2021-06-01 Premised on the disruption and lessons learnt from the Covid 19 pandemic and in meticulous response to the impact of the pandemic on higher education especially in South Africa this collection of chapters

spotlights the effects consequences and ramifications of an unprecedented pandemic in the areas of knowledge production knowledge transfer and innovation With the pandemic the traditional way of teaching and learning was completely upended It is within this context that this book presents interdisciplinary perspectives that focus on what the impact of Covid 19 implies for higher education institutions Contributors have critically reflected from within their specific academic disciplines in their attempt to proffer solutions to the disruptions brought to the South African higher education space Academics and education leaders have particularly responded to the objective of this book by focusing on how the academia could tackle the Covid 19 motivated disruption and resuscitate teaching research and innovation activities in South African higher education and the whole of Africa by extension Sustaining Higher Education Through Resource Allocation, Learning Design Models, and Academic Development Makua, Manyane, Akinlolu, Mariam, 2023-07-24 Conversations debates and policies toward higher education remain in an uncritical mode of normality on issues such as inclusion exclusion and equity In addition the onset of the COVID 19 pandemic has starkly highlighted the fragility of the higher education system and has raised salient questions related to inclusivity and quality in all aspects Sustaining Higher Education Through Resource Allocation Learning Design Models and Academic Development fills a gap in the existing literature by introducing current practices and procedures in the face of the new normal as they affect the higher education sector The book also addresses the various issues of current interest in the higher education sector relative to teaching and learning student support staff development curriculum development educational technologies learning design models and resource allocation Covering key topics such as student engagement assessment practices and academic development this premier reference source is ideal for administrators researchers scholars academicians practitioners instructors and students Extended Curriculum Programmes Tennyson Mgtshini, 2022-04-30 The introduction of ECPs in South African Universities is seen by many as South Africa's key strategy for addressing the problem of poor patterns of student success and has its basis on the uncontested acceptance that an extended study duration may be necessary to bring some categories of learners to a level of parity with the readiness expectations of their course of study Even so this transformative strategic imperative has been plagued by a range of challenges that include poor systems readiness poor selection mechanisms in the identification of ECP students poor numeracy and literacy amongst students and indifferent teacher involvement in ECPs This volume offers a rare insight into many of the above recognised challenges and in so doing provides critical matter for thought for educators within the higher education sector Open Learning as a Means of Advancing Social Justice Tabisa Mayisela, Shanali Govender, 2024-01-23 This volume investigates the uptake of open learning in South African Technical Vocational Education and Training TVET colleges and higher education institutions Comprised of 16 studies focused on activities at a range of colleges and universities across the country these chapters aim to promote a better understanding of open learning practices across the Post School Education and Training PSET sector including issues such as recognition of prior learning access for

students with disabilities work integrated learning professional development novel student funding mechanisms leadership for open educational practices institutional culture student support blended and online learning flexible learning online assessment open educational resource development models and funding and micro credentials This collection of peer reviewed chapters contributes to understanding the ways in which South African PSET institutions and educators are interpreting open learning as a means of advancing social justice It includes a historical and contemporary understanding of the economic cultural and political obstacles facing PSET drawing on Nancy Fraser s theory of social justice as participatory parity to better understand the ways in which open learning may address systemic social injustices in order to allow South African students and educators to thrive This volume emerges from research conducted by the Cases on Open Learning COOL project an initiative by the Department of Higher Education and Training in partnership with the Centre for Innovation in Learning and Teaching CILT at the University of Cape Town UCT in South Africa

**Accessing Post-School Studies**  
 Venica McGhie, 2017-12-01 This publication makes a valuable contribution to often problematic and pertinent South African higher education issues such as student access and success student learning student support and student engagement In this regard the authors draw on the works of higher education theorists such as Kuh Tinto Marton and Saeljoe The book is primarily a helpful resource for South African learners in school students at universities life orientation teachers as well as parents of prospective university students It will especially assist students to adapt to the university environment

Interpellations, Questions and Replies of the National Assembly South Africa. Parliament (1994- ). National Assembly, 1999

*Towards Digitally Transforming Accounting and Business Processes* Tankiso Moloi, Babu George, 2024-01-11 This conference volume discusses the findings of the iCAB 2023 conference that took place in Johannesburg South Africa The University of Johannesburg UJ School of Accounting and Johannesburg Business School in collaboration with Alcorn State University USA Salem State University USA and Universiti Teknologi Mara Malaysia hosted the iCAB 2023 conference with the aim to bring together researchers from different Accounting and Business Management fields to share ideas and discuss how new disruptive technological developments are impacting the field of accounting The conference was sponsored by the Association of International Certified Professional Accountants AICPA CIMA

**Transforming Universities in South Africa**, 2020-08-31 The idea of transformation in higher education underpins all policy documents academic literature and on going debates in South Africa Transforming Universities in South Africa Pathways to Higher Education Reform responds to the pressing need to comprehensively review the post apartheid experience and assess where South Africa s higher education stands across the continent and globally particularly within the country s efforts to overcome decades of socio economic imbalances It addresses the question of whether South Africa s transformation strategy from apartheid to democracy was simply a symbolic new flag raising and new anthem singing exercise reflecting a transition akin to those limited decolonization projects elsewhere in the world or whether something

more fundamental was possible and was achieved with political and policy implications for other countries in Africa and globally This volume s ultimate purpose is to provide a basis for imagining new futures in which South Africa higher education in the context of Africa and the global world takes centre stage
