Morrison, Pälvi Rantala, 2023-07-12 Although historical research undertaken in different disciplines often requires speculation and imagination it remains relatively rare for scholars to foreground these processes explicitly as a knowing method Historical Research Creative Writing and the Past brings together researchers in a wide array of disciplines including literary studies and history ethnography design film and sound studies who employ imagination creativity or fiction in their own historical scholarship or who analyze the use of imagination creativity or fiction to make historical claims by others This volume is organized into four topical sections related to representations of the past textual and conceptual approaches material and emotional approaches speculative and experiential approaches and embodied methodologies and covers a variety of temporal periods and geographical contexts Reflecting on the methodological theoretical and ethical underpinnings of writing history creatively or speculatively the essays situate themselves within current debates over epistemology and interdisciplinarity They yield new insights into historical research methods including archival investigations and source criticisms while offering readers tangible examples of how to do history differently *Perfect Sex* Robin Storey, 2013-07-31 Can you find love online Susie thinks she can Will one of her 82 eager candidates be her Mr Perfect Forty something divorcee and writer Susie Hamilton joins an internet dating agency under the guise of professional research for a book With her enhanced profile she attracts a horde of admirers and begins an exhausting dating schedule The result is plenty of material for her book but her love life is a series of mishaps and disasters Not to mention a source of amusement for her teenage children Will Susie find her Mr Perfect and maybe even her Mr Perfect Sex or will she have to make do with Mr As Good As It Gets If you've ever dabbled in internet dating or even if you haven't you'll love this romantic comedy about the pitfalls and challenges and the funny side of being a middle aged woman looking for love Click the Buy Button now to start reading this tale of love lust and laughter **Things Your Mother Never Told You** Kim Gaines Eckert, 2014-01-10 Why aren't Christian women talking about sex In this frank exploration of all

aspects of what it means to be a sexual being created by God Kim Gaines Eckert explores myths about female sexuality that we have absorbed from both popular culture and distorted religious teaching **Best White** Rebecca Davis,2015-05-01 Rebecca Davis has been described as one of the funniest writers in South Africa today Her razor sharp wit combines with her acute powers of observation to produce social and political commentary that will have you in stitches even as it informs and provokes you to think seriously about the topics she discusses In Best White Davis offers advice on life s tricky issues discusses the perils of being a Best White laments the fact that society does not have a universally adopted form of greeting such as the high five explores the intricacies of social media and internet dating considers the future of reading and tackles a range of controversial topics in between The Sexualized Body and the Medical Authority of Pornography Heather Brunskell-Evans,2017-01-06 This edited collection examines pornography as a material practice that eroticises gender inequality and sexual violence towards women It addresses the complex relationship between pornography and medicine in particular sexology and psycho therapy whereby medicine has historically and currently afforded pornography considerable legitimacy and even authority Pornography naturalises women s submission and men s dominance as if gendered power is rooted in biology not politics In contrast to the populist view that medicine is objective and rational the contributors here demonstrate that medicine has been complicit with the construction of gender difference and in that construction the relationship with pornography is not incidental but fundamental A range of theoretical approaches critically engages with this topic in the light firstly of radical feminist ideas about patriarchy and the politics of gender and secondly of the rapidly changing conditions of global capitalism and digital technologies In its broad approach the book also engages with the ideas of Michel Foucault particularly his refutation of the liberal hypothesis that sexuality is a deep biological and psychological human property which is repressed by traditional patriarchal discourses and which can be freed from authoritarianism for example by producing and consuming pornography In taking pornography as a cultural and social phenomenon the concepts brought to bear by the contributors critically scrutinise not only pornography and medicine but also current media scholarship The 21st century has witnessed a growth in neo liberal academic literature which is pro pornography This book provides a critical counterpoint to this current academic trend and demonstrates its lack of engagement with the politics of the multi billion dollar pornography industry which creates the desire for the product it sells the individualism of its arguments which analyse pornography as personal fantasy and the paucity of theoretical analysis In contrast this book re opens the feminist debate about pornography for a new generation of critical thinkers in the 21st century Pornography matters politically and ethically It matters in the real world as well as in fantasy it matters to performers as well as to consumers it matters to adults as well as to children and it matters to men as well as to women **Focus On: 100 Most Popular Billboard Mainstream Top 40 (Pop Songs) Number-one Singles** Wikipedia contributors, **The Twilight of the Gothic?** Joseph Crawford,2014-05-15 This book explores the history of the paranormal romance genre from its origins in
