practitioners generate maximum healing and change during the past life session Through case studies and concise instructions the author demonstrates practical and elegant uses of these techniques that allow the client to discover life purpose aspects of their relationships roots of disease addiction and phobias as well as a wide range of other life issues

Confessions of a Regressionist Barbara H. Pomar, 2012-05 For the past thirty five years Dr Barbara Pomar has guided her clients on journeys into their past lives Confessions of a Regressionist presents both her personal account of her work with clients working to reverse past decisions to change the present and future and the theories behind the practice For some the very existence of past lives let alone the ability to reconnect with them is a point of spirited debate Even so Dr Pomar has helped many to come to their own conclusions about the validity of this technique Now she guides readers on using her techniques to live more fully or mold their destinies She also discusses theories on why and how past life regression is possible If you ve ever struggled with how the possibility of past life regression fits within your faith Dr Pomar offers advice on how to evaluate your conflict If you are a regressionist Dr Pomar s work can help you realize that by helping your client you also help past and future generations as well If you ve ever considered meeting with a regressionist Dr Pomar explains how this sort of experience can help you live more fully in the present with joy confidence and prosperity by releasing or neutralizing memories of harmful events

Transpersonal Psychotherapy Seymour Boorstein, 1996-01-01 Breaches the wall between the psychotherapeutic and the sacred as respected pioneers in the field give their vision of the synergistic potential in these two powerful traditions *When Technology Fails* Matthew R. Stein, Matthew Stein, 2008-03-27 Matthew Stein s comprehensive guide to sustainable living skills gives you the tools you need to fend for yourself and your family in times of emergency or disaster It also goes a step further giving sound instructions on how to become self reliant in seemingly stable times and for the long term by adopting a sustainable lifestyle Cover p 4 **No Way to Treat a Friend:**

Lifting the Lid on Complementary and Alternative Veterinary Medicine Niall Taylor, Alex Gough, 2017-09-08 No Way to Treat a Friend is an informative and readable exposé of Complementary and Alternative Veterinary Medicine CAVM Written in an accessible style and illustrated with stories and cases from veterinary practice about real animals this book is a counterweight to the mass of pro literature in existence which uncritically promotes CAVM without consideration of whether or not it works or could even be harmful to our animal companions The book takes a close look at how thinking can go wrong and how animals can appear to respond to treatment even when it is ineffective Individual alternative practices are examined including homeopathy acupuncture raw diets and the anti vaccination lobby and we find out if their claims stand up to scrutiny With a thoroughly scientific line it is not an attack on different belief systems but a rigorous analysis of the facts and a consideration of typical CAVM arguments as well as a helpful explanation for people who may be unfamiliar with what the various therapies entail Following on from the several successful books questioning the use of complementary therapies in human medicine such as *Bad Science* No Way to Treat a Friend looks at their use in veterinary medicine This is a valuable

resource for veterinary practitioners as well as lay people who are interested in popular science animal topics animal welfare and medical matters 5m Books
