Him for a miracle He would do for you because He is the same yesterday today and forever **Kraften I Ditt Sinne** Chris Oyakhilome D.Sc., D.D.,2019-04-01 Guds h gsta nskan r att vi ska leva ett segerrikt liv och st ndigt njuta av Hans v lsignelser som testamenterats till oss i Kristus Jesus Men en anledning till att m nga fortfarande k mpar f r att leva detta underbara liv r deras of rm ga att till gna sig det Gud redan har gjort tillg ngligt f r dem Gud i sin k rlek har emellertid utrustat dig med ett speciellt instrument f r att hj lpa dig att till gna dig och komma i full besittning av dessa m ngfaldiga v lsignelser Detta instrument r ditt sinne **Public Righteousness** Abimbola A. Adelakun,2023-05-25 Public Righteousness The Performative Ethics of Human Flourishing is driven by the idea that part of what manifests as a disorderly display of virtue in public culture is underlined by the desire to see a more righteous society and an expression of the will to enact such an ideal world into reality This book re structures the ferment of such public displays and fashions an ethic that overturns the ostentatious signals of self righteousness and the fierce contest of animating visions This book engages the work of social ethicist Nimi Wariboko to explore an idea of public righteousness In place of smug superiority and phony pieties the performative ethics that inaugurate this public righteousness offer an intellectual and moral competence that establishes rectitude and culminates in human flourishing **Pentecostalism and Cultism in South Africa** Mookgo Solomon Kgatle,2021-02-28 Pentecostalism is a growing movement in world Christianity However the growth of Pentecostalism in South Africa has faced some challenges including the abuse of religion by some prophets This book first names these prophets and the churches they lead in South Africa and then makes use of literary and media analysis to analyse the religious practices by the prophets in relation to cultism Additionally the book analyses the celebrity cult and how it helps promote the prophets in South Africa The purpose of this book is threefold First to draw parallels between the abuse of religion and cultism Second to illustrate that it is cultic tendencies including the celebrity cult that has given rise to many prophets in South Africa Last to showcase that the challenge for many of these prophets is that the Pentecostal tradition is actually anti cultism and thus there is a need for them to rethink their cultic tendencies in order for them to be truly relevant in a South African context The Prosperity Gospel in Africa Marius Nel,2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary timely and relevant because of its influence in the African Pentecostal movement and its potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth *The Invasion of the Funky Pastors* Harry N. Agina,2010 When I left Nigeria as a boy for the USA in search of the proverbial greener pastures

there was Christianity and there was the African Culture in Nigeria both of which I had grown up in Christianity fed me with the word of God while my African Culture made me desirably and proudly different from a white man an Indian Mexican or Asian That was many years ago in the mid1900s Today when I visit my little remote African village to enjoy some of the cultural values that I have missed so much while in the western world my brethren in the village tell me that the culture is no more Indeed the entire Christian community of Nigeria seems to be heading towards the notion that the African Culture is suddenly out of fashion The people s excuse is that they have seen the light in their new wave Christianity Some traditionalists are not taking the culture abuse lying down and with their fire for fire response to the Christian zealots there is truly a war of cultures in Nigeria I am right in the middle of it and this is my story I must prepare my reader s mind for my general hardnosed criticism of Nigerian Commercial Church in this story I lament that too many Christians are willfully making mischief and a whole lot of money all in the name of God I am a devout Christian and would never advertently say one bad word against Christianity or any religion for that matter My grouse is with the growing number of mischievous funky pastors their zombie like followers their gross misinterpretation of the Holy Bible and the war that they have declared against the African Culture One might even say that my criticism is venomous but I call it brutally frank or frankly brutal

The Power Of Tongues Chris Oyakhilome PhD.,2005-03-02 In this book Pastor Chris Oyakhilome teaches you the what how and why of speaking in other tongues and reveals the immense benefits it holds for you as a New Testament believer in Jesus Christ You will also learn about Tongues Interpretation of tongues and Prophecy The difference between Praying in Your Understanding and Praying in Tongues **Power in Contemporary Zimbabwe** Erasmus Masitera,Fortune

Sibanda,2018-04-20 In recent years the Zimbabwe crisis rendered the country and its citizens to be a typical case of failed states the world over Zimbabwean society was and is still confronted with different challenges which include political economic and social problems Attempts to overcome these challenges have thrown light on the power that rests within individuals and or groups to change and even revolutionize their localities communities states and ultimately the world at large Through experience individuals and groups have promoted ideas that have aided in changing mentalities attitudes and behaviors in societies at different levels This book brings together contributors from various academic disciplines to reflect on and theorize the contours of power including the intrinsic and or extrinsic models of power which pertain to individuals communities and or groups in order to transform society Reflections are on various groups such as political movements environmental movements religious groups advocacy groups gender groups to mention but a few as they struggle against marginalization discrimination exploitation and other forms of oppression showing their agency or compliance [Africa's Social and Religious Quest](#) Randee Ijatuyi-Morphé,2014-01-30 This well crafted book probes the key dimensions of Africa s existential predicament It constitutes an intellectual response to a gnawing African situation the starting point for grasping Africa s social and religious quest Beyond split explanations of external versus internal factors e g colonization slavery vs

leadership cultural values this study accounts more comprehensively for emergent issues shaping this situation The situation reflects a gamut of problems in traditional African religion and material culture which hitherto defines African communality politics and destinies vis vis the cosmos and nature Thus African religion and communities each with its own attendant values do not operate by critical engagement with larger issues of society and civilization especially those shaped by the advent of post modernity Rather they operate via adaptation The communal drive for natural and social harmony inevitably produces a preservationist view of culture leaving things as they are This study takes an integrative approach to religion society and civilization eschews dichotomies and broadly defines and re signifies life and wholeness as a true end of Africans quest today

Tell ,2002 Alternative Voices Oliver Freiburger,Magnus Echtler,Afe Adogame,2013-07-17 When scholarship presents the histories belief systems and ritual patterns of specific religious groups it often privileges victorious and lite fractions of those communities to the detriment and neglect of alternative dissonant and resurgent voices The contributions in this volume which include case studies on various religious and academic contexts illustrate the importance of listening to those alternative voices for the study of religion **366 Nuggets from Scriptures Volume I** Kwadwo Osei
