

The background of the slide features a dense, overlapping pattern of the four DNA nucleotide bases: Adenine (A), Guanine (G), Cytosine (C), and Thymine (T). These letters are rendered in a variety of colors including orange, yellow, green, blue, and purple, creating a vibrant, abstract effect. Superimposed on this background are two faint, light-colored silhouettes of human figures, one on the left and one on the right, facing each other. The title text is centered over the middle of the image.
