Preaching from the Cross Frank J. Matera, 2025-02-11 Much has been written about the life ministry and theology of the apostle Paul But what about Paul specifically as a preacher How did he understand his commission from the risen Lord Jesus to preach the gospel and how did he put it into practice Further what lessons can contemporary preachers learn from Paul about the theology and practice of preaching to help them be more faithful messengers of God's Word As a leading Pauline scholar and practicing pastor Frank Matera has considered these questions and he offers this short accessible book to pastors and students as wise and helpful guidance Matera explores a Pauline theology of preaching focusing on three main questions Why did Paul preach What did he preach And how did he preach He also explores Paul's preaching as the ministry of the new covenant He identifies and explores seven themes of Paul's preaching which in turn offer key practical insights for preaching in a Pauline way Readers are encouraged to preach from the cross making the crucified Christ their focus and their model demonstrating what they preach by their own cruciform lives **The Child's Story Bible** Catherine F. Vos, 1983 Tales of the Bible rewritten for young children *The Primitive Church* Rev. Fr. D. I. Lanslots, 1980-10 How the Catholic Church got started Covers Sts Peter and Paul first Popes the written and unwritten word Council of Jerusalem persecutions religious life of early Christians early popes and martyrs birth of the New Testament **Colossians and Philemon MacArthur New Testament Commentary** John MacArthur, 1992-11-10 From whatever angle one views the modern age Colossians and Philemon are up to date Their timeless truth speaks to the dilemmas facing the world today Colossians focuses on Jesus Christ presenting Him as the ultimate answer to any problem And Philemon highlights forgiveness illustrating the power and freedom of forgiving others Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical *The Burning Time* Virginia Rounding, 2017-04-20 Smithfield settled on the fringes of Roman London was once a place of revelry Jesters and crowds flocked for the medieval St Bartholomew's Day celebrations tournaments were plentiful and it became the location of London's most famous meat market Yet in Tudor England Smithfield had another more sinister use the public execution of heretics Spanning the reigns of British history's most remarkable dynasty *The Burning Time* is a vivid insight into an era in which what was orthodoxy one year might be dangerous heresy the next The first martyrs were Catholics who cleaved to Rome in defiance of Henry VIII's break with the papacy But with the accession of Henry's daughter Mary soon to be nicknamed Bloody Mary the charge of heresy was levelled against devout Protestants who chose to burn rather than recant At the centre of Virginia Rounding's vivid account of this extraordinary period are two very different characters The first is Richard Rich Thomas Cromwell's protégé who almost uniquely remained in a position of great power influence and wealth under three Tudor monarchs and who helped send many

devout men and women to their deaths The second is John Deane Rector of St Bartholomew s who was able somehow to navigate the treacherous waters of changing dogma and help others to survive The Burning Time is their story but it is also the story of the hundreds of men and women who were put to the fire for their faith It is a gripping insight into a time when people were willing to die and to kill in the name of religion Devotions for Life Bruce C. Missional Acts Daniel McGinnis, 2022-01-14 What is Luke's main purpose in writing the book of Acts In this close study of the entire Acts narrative McGinnis analyzes Luke's story of the first Christians in light of ancient rhetorical conventions concluding that Luke presents his stories to strengthen the missional commitment and practice of his readers Missional Acts approaches a vast amount of varied mission content systematically dividing it into rhetorical instruction about missional stimuli structures strategies and suffering while using a body analogy to provide coherence Even the enigmatic ending of Acts intentionally advances Luke's rhetorical purposes Luke's teaching finds its culmination in the ministry of his archetypal missionary the apostle Paul whose missionary journeys are a Lukan masterclass in mission strategy with much to teach about ministry that transforms whole regions McGinnis rejects the traditional dichotomy that Paul is either a missionary or a prisoner and shows that throughout his work Luke depicts suffering as an integral part of the mission seeking to prepare his readers to face opposition of various kinds Missional Acts will help readers approach Acts in innovative ways by reading it through a primary missional lens

The Case against Christ George G. R. Dekle Sr., 2011-07-12

Some two thousand years ago in a small province of the Roman Empire an obscure Roman governor ordered the execution of a peasant leader. It went virtually unnoticed at the time. No official report of the event has survived and we would have no memory at all of it except for the efforts of a handful of followers of the condemned man. Those followers who kept that memory alive changed the course of history and the results of their efforts continue to reverberate to this day. Conventional interpretation says that the execution of Jesus of Nazareth came on the heels of a series of illegal trials before a number of different tribunals and at the culmination of that series of trials a moral coward by the name of Pontius Pilate ordered Jesus' execution despite being satisfied that he was innocent. Revisionist interpretation says that there was no trial at all; that Pilate simply executed Jesus because he was a nuisance and that Jesus' followers invented the story of his execution as a means of shifting the blame from the Roman government to a group of people whom they despised: the Jews. Are the Gospels good history or bad propaganda? Does a fair reading of the Gospel accounts support either the conventional or the revisionist interpretation of the trial of Jesus? Who if anyone should shoulder the blame for the crucifixion of Jesus? The Case against Christ seeks to answer these questions by treating the matter as a forensic death investigation and answering the questions as they might be answered by a prosecutor attempting to determine who should be held criminally responsible for the death of Jesus.
