

Welcome!!

A note from your child's speech therapist

Dear Parents,

Welcome to the new school year! I hope everyone had a safe and enjoyable summer. I would like to take this opportunity to introduce myself to the new families joining us, and a big welcome back to my returning friends! I will be the speech-language pathologist working with your child in the classroom. Our classroom uses a variety of activities and strategies to encourage your child to communicate at their highest level, while still having fun!

I believe that parents are the first and most important teachers in their child's life. With this in mind, as your child works on new skills I will be sending home materials for home practice. Practice at home is intended to be quick and easy to ensure your child's participation isn't stressful. If you are unable to practice at home, don't worry! Notes to keep you aware of our practice at school will also be sent home.

I ask that you please be sure to keep the classroom team informed of the events in your child's life and/or any questions you may have regarding their progress. I encourage you to communicate through notes, by email or by phone. It's going to be a terrific year!

The Servant of All Dr. Kenneth Barbour, 2022-09-07 It is a journey of how one man beat the odds to become teacher principal school superintendent short term missionary to Africa pastor community leader and influential servant of God How familial love and cooperation parental example hard work and a life of dedication to loving and serving Jesus Christ can triumph over racial discrimination poverty and difficult beginnings A man who had a myriad of education and religious experiences and qualifications These included fifty years of distinguished service in public and Christian ministry A man who received accolades of being honored by the US Department of Education for exemplary performance and leadership in schools and community earned the Blue Ribbon School Award and Urban Heroes Award that honors residents who serve with distinction behind the scenes in an urban setting and Professional Man of the Year award A testimony reinforcing the belief that all our dreams can come true if we have the courage to pursue them Walt Disney About hope and the fact that the American Dream is not only still alive but also achievable To bring hope inspiration to rise above and to love in the midst of any circumstance create a legacy putting needs of others first and helping people develop and perform as highly as possible Despite a humble background and limited resources and opportunities the story demonstrates how ordinary people can achieve extraordinary success It dispels the myth that people do well in life only if they are from privileged backgrounds It is a lesson to us that though our environment helps shape us we are not defined by it

The Constitutional Parent Jeffrey Shulman, 2014-07-01 In this bold and timely work law professor Jeffrey Shulman argues that the United States Constitution does not protect a fundamental right to parent Based on a rigorous reconsideration of the historical record Shulman challenges the notion held by academics and the general public alike that parental rights have a long standing legal pedigree What is deeply rooted in our legal tradition and social conscience Shulman demonstrates is the idea that the state entrusts parents with custody of the child and it does so only as long as parents meet their fiduciary duty to serve the developmental needs of the child Shulman's illuminating account of American legal history is of more than academic interest If once again we treat parenting as a delegated responsibility as a sacred trust not a sacred right we will not all reach the same legal prescriptions but we might be more willing to consider how time honored principles of family law can effectively accommodate the evolving interests of parent child and state

Is School Really Out For The Summer? Jim Sarto,2024-11-26 Dr Joey Strat is a veteran principal at Avenue Ridge High School Summer should mean a time of rest

but that's not Joey's fate. Follow this poor guy through all the behind-the-scenes and unexpected events that take place from graduation night through to the first day of the new school year. Simultaneously, he recalls his own fifth-grade summer and wishes to relive it just one more time with his family and lifelong friends. Joe is just trying to enjoy summertime. Instead, he deals with never-ending headaches as he handles unruly students, apathetic and incompetent staff and board members, and demanding and out-of-touch parents. Basically, Joe's summer is anything but relaxing. Juxtaposed with these misadventures are memories of a far more enjoyable summer from Joe's youth back in 1964 when summer break seemed never-ending and full of possibilities and excitement. Satirized by a real-life principal with thirty-five years' experience under his belt, *Is School Really Out for the Summer?* jumps back and forth from present to past while making you nostalgic, making you laugh, and proving school is never really out for teachers.
