Wetwork The Works Book 3:

Confessions: Book 1-3 Plus Bonus Book Cathryn Fox, 2017-12-18 Professor She's way too innocent for me and I know it and I should leave it that. If I knew what was good for me I would. But fuck it. I rarely go with what's good for me which is why I'm sitting on a goddamn bar stool when I should be back at Penn State grading papers. I don't normally stay for a drink after a gig and I really need to give this shit up but tonight I don't know there's just something about the birthday girl that's throwing me off. I should leave. I'm a psych professor for Christ's sakes. Ever hear of code of conduct? Yeah, well I'm violating every rule I promised to uphold which is why I can't act on my urges right. Then again they don't call me Professor Bad Boy because I'm you know good. Officer Not only is she too young for me she's my partner's daughter for Christ's sake. If I know what's good for me I'll stay far far away. I'm a cop with the law to uphold but when I find her trying to stave off unwanted advances I give her a safe word insisting she text me with it if she ever finds herself in trouble. Only problem is I had no idea what I was getting myself in to. Or maybe I did. Either way years later when all grown up Layla texts me and I discover she used the safe word to lure me into her bed I know I'm in all kinds of trouble. I'm not violating any rules but this is my best friend's daughter which means she's hands off all the way right. Then again they don't call me Officer Bad Boy because I'm you know good. Fighter She's a good girl from the right side of the tracks. I'm anything but. Which means I should keep my goddamn eyes and my hand to myself. But the thing is I'm a fighter. My hands are my life and sometimes they have a mind of their own and most times they take without permission. When she agrees to a drink after my fight I take the mayor's daughter to a nice restaurant. Only problem is she keeps licking her lips and that shit is turning me on. I order her to the bathroom with plans to follow her in. If I knew what was good for me I'd walk away. Combat my plans to corrupt the good girl. Then again they don't call me Fighter Bad Boy because I'm you know good. SEAL Bonus Book I'm a Navy SEAL for Christ's sake. A law abiding citizen with steely determination and a rigid control that never wavers until she walks in. She's looking for trouble. Of that I have no doubt. I should walk away but damned if she doesn't have that hot librarian look about her and that shit is straight out of my fantasies. When I see the spark in her eyes as she visually feasts on me I can't help but want to ignite it and create our own set of fireworks this Fourth of July. But taking her to the back room and bending her over the pool table is wrong right. Then again they don't call me SEAL Bad Boy because I'm you know good. *The Justice Series 3-Book Bundle* T. E.
