Full Dissidence Howard Bryant, 2020-01-21 A bold and impassioned meditation on injustice in our country that punctures the illusion of a postracial America and reveals it as a place where authoritarianism looms large Whether the issues are protest labor patriotism or class division it is clear that professional sports are no longer simply fun and games Rather the industry is a hotbed of fractures and inequities that reflect and even drive some of the most divisive issues in our country The nine provocative and deeply personal essays in Full Dissidence confront the dangerous narratives that are shaping the current dialogue in sports and mainstream culture The book is a reflection on a culture where African Americans continue to navigate the sharp edges of whiteness as citizens who are always at risk of being told often directly from the White House to go back to where they came from The topics Howard Bryant takes on include the player owner relationship the militarization of sports the myth of integration the erasure of black identity as a condition of success and the kleptocracy that has forced America to ask itself if its beliefs of freedom and democracy are more than just words In a time when authoritarianism is creeping into our lives and is being embraced in our politics Full Dissidence will make us question the strength of the bonds we think we have with our fellow citizens and it shows us why we must break from the malignant behaviors that have become normalized in everyday life

New Deal Law and Order Anthony Gregory, 2024-06-11 Anthony Gregory traces the origins of America's modern law and order politics to a surprising source the New Deal the crucible of modern liberalism FDR's tough on crime agenda played a crucial role in the New Dealers reform agenda which greatly expanded the limits of federal power and fundamentally altered the future of the state

Police Corruption Tim Prenzler, 2009-03-27 While many police officers undertake their work conforming to the highest ethical standards the fact remains that unethical police conduct continues to be a recurring problem around the world With examples from a range of jurisdictions Police Corruption Preventing Misconduct and Maintaining Integrity examines the causes of police misconduct and

Knowledge Management in Police Oversight Petter Gottschalk, 2009 Police oversight agencies are citizens watchdog organizations designed to ensure that the police are operating with integrity and accountability Integrity is defined as the quality of being honest and morally upright Accountability refers to situations in which someone is required or expected to justify actions or decisions Based on integrity and accountability challenges in police forces all over the world this book discusses the roles and methods of police oversight agencies Knowledge management in police oversight is presented by identifying knowledge categories and knowledge management systems A model for police oversight performance is developed in the book and the model is applied to an oversight agency as a case study

Death is in the Deal K.J. Emrick, 2021-09-07 It's

summer at last and Darcy Sweet thinks it's time for a family vacation. But where to go? The Sweet Tinker family are discussing the idea of a Californian summer vacation when a phone call puts the kibosh on that. They certainly didn't expect to be heading back to Pittsfield and the Hideaway Inn so soon after their visit last Christmas. They also didn't expect to be walking into complete chaos. The new manager is incompetent and uncaring and so it falls to Darcy and Jon to try to keep the place running smoothly. And it does for less than a day. When a former employee of the Inn is found dead the day after they arrive, the police rule it a suicide. Darcy knows that things are not as they seem and there's more to the death than meets the eye. Is it murder? Darcy and Jon are going to find out. *Death is in the Deal* is the 31st book in the Darcy Sweet Cozy Mystery series. If you love paranormal cozy mysteries with a touch of romance and family, you'll love the Darcy Sweet Cozy Mystery series.

The Finest Deal Miguel Montanez, 2020-04-09 In Washington DC the war against drugs is heating up and narcotics detective Gabriel Montalvo is tired of cleaning up the mess from the brutal violence. When his colleague Jimmy Whitehouse, a chemist turned detective, hatches a drastic plan to create a virus that will infect users and wipe out the illegal use of drugs, Montalvo agrees to help. But nothing goes as planned and soon the two detectives are on the run. Together they must use all the tricks they have learned in the police force to evade the FBI and vicious drug lords so they can survive on the other side of the law.

Cool Deal James Littlefield, 2001-05 Think everyone has it easy in Silicon Valley. Try being a fledgling P I in politically correct Palo Alto. When the very incorrect murder of a rising star lawyer horrifies the public, fascinates the media, and throws the police into an investigative frenzy, the obvious suspect is part-time pool cleaner Trucker James Deal. Suspected by the public, hounded by the press, and targeted by a killer, Deal hangs tough when the hunt turns nasty and doggedly tracks an opportunistic murderer through the upscale streets and backyards of well-heeled suburbia. Finding whodunit is only self-defense, and with friends and enemies slugging it out, the San Francisco Peninsula's headed for a shake-up that ain't no earthquake. See Deal's a trouble magnet, a righteous dude who's impulsive under pressure, hot for truth, and cool when it counts. Drop by, hang on, and check out *New Deal Investigations* where results count more than P C procedures and pool cleaning's dangerous work.

The New Deal and Beyond Elna C. Green, 2003 This collection of ten original studies covers a wide range of issues related to the regional distinctiveness of welfare provision in the South and the development of the larger federal welfare state. The studies examine New Deal and Great Society programs from the Works Progress Administration and Civilian Conservation Corps to Social Security and Medicare. In addition, they draw attention to such private sector organizations as the Salvation Army and the National Association for the Advancement of Colored People. Some essays look at the degree of federal responsiveness to or actual engagement with recipients of assistance. One such study examines the dynamics between the New Deal bureaucracy, poor women who worked in WPA organized sewing rooms in Atlanta, and local political activists concerned about the women's working conditions. The power of race and racism to shape the delivery of social services in the region, as well as the strong connections between social welfare and civil rights, is a

concern common to many studies One study shows how linking the availability of federal Medicare funds to racial equality helped end segregation in southern hospitals Others focus on topics ranging from the pioneering North Carolina Fund a state program that shaped Great Society initiatives to the public health nurses and home economists of the Farm Security Administration to Georgia governor Eugene Talmadge s maneuverings against the Federal Emergency Relief Administration The New Deal and Beyond is filled with many new insights into initiating and maintaining social programs in the South a region whose welfare history is key to understanding the larger story of the American welfare state **Discount Justice** Daniel Jay Baum,1979 Crime and Policing Mark H. Moore,Robert C. Trojanowicz,George L. Kelling,1988 Dangerous Sex, Invisible Labor Prabha Kotiswaran,2011-07-05 Popular representations of third world sex workers as sex slaves and vectors of HIV have spawned abolitionist legal reforms that are harmful and ineffective and public health initiatives that provide only marginal protection of sex workers rights In this book Prabha Kotiswaran asks how we might understand sex workers demands that they be treated as workers She contemplates questions of redistribution through law within the sex industry by examining the political economies and legal ethnographies of two archetypical urban sex markets in India Kotiswaran conducted in depth fieldwork among sex workers in Sonagachi Kolkata s largest red light area and Tirupati a temple town in southern India Providing new insights into the lives of these women many of whom are demanding the respect and legal protection that other workers get Kotiswaran builds a persuasive theoretical case for recognizing these women s sexual labor Moving beyond standard feminist discourse on prostitution she draws on a critical genealogy of materialist feminism for its sophisticated vocabulary of female reproductive and sexual labor and uses a legal realist approach to show why criminalization cannot succeed amid the informal social networks and economic structures of sex markets Based on this Kotiswaran assesses the law s redistributive potential by analyzing the possible economic consequences of partial decriminalization complete decriminalization and legalization She concludes with a theory of sex work from a postcolonial materialist feminist perspective *Green Deals in the Making* Weishaar, Stefan E.,Milne, Janet E.,Andersen, Mikael S.,Ashiabor, Hope,2022-08-18 Greenhouse gas concentrations are rapidly increasing and pathways to limit global warming require fundamental economic transitions Green Deals in the Making addresses the challenges and opportunities associated with the implementation of Green Deals in particular the use of market based instruments
