

Guide to Youth Wrestling

Lion Wrestling Club

Jim Borschel - Sr. Club Advisor

Introduction

Welcome to the Lion Wrestling Club! The goal of this guide is to familiarize you with the sport of wrestling. Not all parents, families & children have a wrestling background. Hopefully, the information outlined in this guide will help introduce you to the sport.

Wrestling Club Goals

The simple goal of the Lion Wrestling club is to introduce your child to the sport. We want your child to have a fun and positive experience. Like most athletic activities, we will emphasize the fundamentals of the sport, including the basic skills, drills and technique. Every wrestler from grade school to the Olympic wrestling levels concentrate on the fundamentals. Drills may often be routine, even monotonous, but are necessary in your child's wrestling development. Conditioning, stretching, flexibility and many of our drills are basic to all other sports; including football, soccer, basketball and baseball.

Questions? / Suggestions

When you register your child in the club, you also register your voice for questions and suggestions of improvement. If there are ever questions or suggestions, please contact a coach or the club coordinator.

Athletic Development

Please understand that your child may not have instant success in wrestling. Very few wrestlers start winning when they are first introduced to this sport. There will be other wrestlers who started earlier, have more wrestling experience, or may at this time be more athletically inclined. In some cases, it may be years before your young wrestler develops the competitive edge.

The physical, emotional and competitive stages of athletic development will vary for every young athlete. Some children may be ready for tournament competition as a 1st grader; others may develop this confidence later. You know and understand your child's development more than anyone. Don't push or drive too hard until you feel the child is ready. Give your child the choice, listen to what they say and give a lot of praise and encouragement. Start slow and introduce more wrestling when you feel they are ready. The coach and other parents can assist you with some insight into this decision.

Parental Support

We strongly encourage parents to attend wrestling practice with their child, especially at the younger levels. Parents may not have wrestling experience, but their involvement is critical. Your child's progress in the sport can develop at a faster rate if you are assisting or are visible at the practice sessions. With a small number of coaches and a high number of wrestlers, working with your child and other wrestlers increases individual development. We would also like to ask for your support, helping at the Little Lions Wrestling Tournament. This tournament benefits the total wrestling program at the club, junior and senior high levels.

Scientific Foundations of Sports Medicine Carol C. Teitz,1989 *More Than Just the Talk* Jonathan McKee,2015-03-10 Have Real Conversations With Your Kids About Sex The old ways of having the sex talk just won t cut it anymore Sadly the number one place today s young people go to for answers about sex is Google Meanwhile kids view nearly 14 000 sexual references a year on television and 70 percent of teenagers have encountered pornography on the Internet If we want our children to know the truth about healthy sexuality we need to create a comfortable climate of continual conversations

Jonathan McKee will show you how to move beyond the initial awkwardness of this subject into an ongoing communication with your kids about God's amazing gift of sex. He equips you with what you need to talk openly about dating, temptation, porn, and purity, and you will find answers to tough questions and relevant Scripture on sexual issues. It's normal for kids to be curious about sexuality, and they need to know that their parents are the most reliable source of information. Be the one your kids turn to on this crucial topic. In a world full of explicit lies, today's kids need parents who aren't afraid to tell them the explicit truth. This book provides parents with the tools they need to have these candid and continual conversations. Dr. Kevin Leman, New York Times bestselling author of *Have a Happy Family*, by Friday Jonathan McKee is one of America's premier youth specialists, and this book will help you navigate the rough waters of teaching your kids healthy sexuality. Jim Burns, PhD, president of HomeWord and author of *Parents Take a Deep Breath*. This book pulls no punches. But it will give you exactly what you need to walk alongside your kids at this time when they most need it. Shaunti Feldhahn, social researcher, speaker, and bestselling author. A thorough, straightforward, and engaging resource that will both equip and inform a parent for effective, culturally relevant, and God-honoring conversations about sexuality and all its implications. It is a critical read in critical times. Brian Berry, generation ministries pastor, Journey Community Church, La Mesa, California, and author of *SO Many Parents I Know Don't Feel Equipped to Talk to Their Kids About Sex*. This book helps you overcome the guaranteed awkwardness of conversations like that and provides both tools AND motivation. I wish every parent would read it. Scott Rubin, director of middle school ministry, Willow Creek Community Church. Jonathan McKee provides clarity and practical knowledge so that you and I can do more than just give a nervous talk to our kids; we can be loving and consistent parents for them as well. Terry Linhart, PhD, educator, author, Bethel College, Indiana. Kids need parents who are educated, aware, and relevant when it comes to sex. Thankfully, Jonathan McKee gives us powerful, poignant, and practical tools to help us win in this delicate and scary parenting arena. Doug Fields, co-founder of DownloadYouthMinistry.com, youth pastor for thirty years at Saddleback Mariners Church, speaker, and author. McKee is a frontline youth worker with current and regular interactions with Christian teenagers wrestling with the intersection of their faith and their sexuality. Never condescending, Jon brings his writing style to a subject I wish more parents were talking about with their teens. Mark Oestreicher, partner, The Youth Cartel, and author. Jonathan McKee's book helps us to remember that the talk is a myth at best and a terrible strategy at worst. A lifestyle of preparation, a strategic series of discussions, and a proactive commitment to conversation is what our kids need, and this book will help any parent to walk with their kids in confidence. Chap Clark, professor of youth, family, and culture, Fuller Theological Seminary. **Children and Teens Afraid to Eat**, Francie M. Berg, 2001. Takes a societal look at the issue of eating disorders and offers ideas on how families and schools can combat the problem.
