The Secret History of Freemasonry Paul Naudon,2005-03-28 Explores the hidden history of Freemasonry from ancient Rome through the Middle Ages to the present Shows the close connection between medieval masons and the Knights Templar Illustrates the sacred nature of Roman and medieval trade associations Reveals the missing link that connects the lodges of modern Freemasonry to the medieval brotherhoods of builders Historians often make a sharp distinction between the operative Masonry of the Middle Ages and the speculative Masonry of modern times emphasizing that there is no direct bridge connecting the two Modern historians also have scoffed at Masonic claims concerning the close relationship between the Lodge and the Temple Using medieval archives housed throughout Europe historian Paul Naudon reveals that there was in fact a very intimate connection between the Masons and the Knights Templar Church records of medieval Paris show that most if not all the Masons of that time were residents of the Templar censive which allowed them to enjoy great exemptions and liberties from both church and state as a result of the protection afforded them by this powerful order Naudon shows that the origins of Freemasonry can be traced back to the collegia of ancient Rome He traces the evolution of organizations such as the Comacine Masters the Arab turuqs and the brotherhoods of builders created under the aegis of the Benedictines and the Knights Templar all of which provide the vehicle for the transmission of a sacred tradition from pre Christian times to the modern era This tradition is the source of Masonic ritual and symbolism and it provides the missing link in the transformation of the operative Masonry of the

The Secret History of the World and How to Get Out Alive Laura Knight-Jadczyk,2005 Previously published as Ancient Science Secret History contains 150 pages of new material The Secret History of The World and How To Get Out Alive is the definitive book of the real answers where Truth is more fantastic than fiction Laura Knight Jadczyk wife of internationally known theoretical physicist Arkadiusz Jadczyk an expert in hyperdimensional physics draws on science and mysticism to pierce the veil of reality With sparkling humour and wisdom she picks up where Fulcanelli left off sharing over thirty years of research to reveal for the first time The Great Work and the esoteric Science of the Ancients in terms accessible to scholar and layperson alike Conspiracies have existed since the time of Cain and Abel Facts of history have been altered to support the illusion The question today is whether a sufficient number of people will see through the deceptions thus creating a counter force for positive change the gold of humanity during the upcoming times of Macro Cosmic Quantum Shift Laura argues convincingly based on the revelations of the deepest of esoteric secrets that the present

is a time of potential transition an extraordinary opportunity for individual and collective renewal a quantum shift of awareness and perception which could see the birth of true creativity in the fields of science art and spirituality The Secret History of the World allows us to redefine our interpretation of the universe history and culture and to thereby navigate a path through this darkness In this way Laura Knight Jadczyk shows us how we may extend the possibilities for all our different futures in literal terms With over 800 pages of fascinating reading The Secret History of The World and How to Get Out Alive is rapidly being acknowledged as a classic with profound implications for the destiny of the human race With painstakingly researched facts and figures the author overturns long held conventional ideas on religion philosophy Grail legends science and alchemy presenting a cohesive narrative pointing to the existence of an ancient techno spirituality of the Golden Age which included a mastery of space and time the Holy Grail the Philosopher s Stone the True Process of Ascension Laura provides the evidence for the advanced level of scientific and metaphysical wisdom possessed by the greatest of lost ancient civilizations a culture so advanced that none of the trappings of civilization as we know it were needed explaining why there is no evidence of civilization as we know it left to testify to its existence The author s consummate synthesis reveals the Message in a Bottle reserved for humanity including the Cosmology and Mysticism of mankind Before the Fall when as the ancient texts tell us man walked and talked with the gods Laura shows us that the upcoming shift is that point in the vast cosmological cycle when mankind or at least a portion of mankind has the opportunity to regain his standing as The Child of the King in the Golden Age If ever there was a book that can answer the questions of those who are seeking Truth in the spiritual wilderness of this world then surely The Secret History of the World and How to Get Out Alive is it
