States of Violence Austin Sarat, Jennifer L. Culbert, 2009-04-27 This book brings together scholarship on three different forms of state violence examining each for what it can tell us about the conditions under which states use violence and the significance of violence to our understanding of states This book calls into question the legitimacy of state uses of violence and mounts a sustained effort at interpretation sense making and critique

Francis I and Sixteenth-Century France Robert J.

Knecht, 2023-05-31 The reputation of Francis I king of France 1515 47 has fluctuated over the centuries Acclaimed as noble and great in the sixteenth century he came to be unfairly denigrated under the Bourbon kings and the republic But in the twentieth century research based on archival material has restored his standing as one of the most important rulers of his age The present volume brings together seventeen articles by Robert Knecht published over several decades on particular aspects of the reign with three specially translated from French into English They examine the period in more depth than was possible in the author's 1994 biography of Francis I and include studies of the Concordat of 1516 with the papacy the Field of Cloth of Gold in 1520 the lit de justice of 1527 and the visit to France of the Emperor Charles V in 1540 Other articles consider the king's attitude to the Reformation his court his relations with Paris and visits to Aquitaine his patronage of architecture as demonstrated by his building of the chateau of Fontainebleau and his relations with his mother Louise of Savoy and sister Marguerite d'Angoulême The king's love of books and the political advice he received from scholars are also considered as well as the extent of his absolutism Two articles compare the English and French Reformations and the nobilities of the two countries The volume is intended as a contribution to the celebration of the 500th anniversary of Francis

Is accession Cold War Cities Tze-ki Hon, 2021-08-26 This book is a dynamic study of the range of experiences of the Cold War in Europe East Asia and Southeast Asia in the 20th century Comprised of ten chapters from a diverse team of scholars from Europe East Asia and North America this edited volume furthers the study of the Cold War in two ways First it underscores the global scope of the Cold War Beginning from Europe and extending to East and Southeast Asia it focuses attention on the overlapping local national regional and international rivalries that ultimately divided the world into two opposing camps Second it shows that the Cold War had different impacts in different places Although not all continents are included this volume demonstrates that the bipolar system was not monolithic and uniform By comparing experiences in various cities this book critically examines the ways in which the bipolar system was circumvented or transformed particularly in places where the line between the Free World and the Communist World was unclear Cold War Cities will appeal to students and scholars of history and Cold War studies cultural geography and material cultures as well as East and Southeast Asian studies **Capital Cities/Les Capitales** John H.
