**Across God's Frontiers** Anne M. Butler, 2012-09-17 Roman Catholic sisters first traveled to the American West as providers of social services education and medical assistance In *Across God's Frontiers* Anne M Butler traces the ways in which sisters challenged and reconfigured contemporary ideas about women work religion and the West moreover she demonstrates how religious life became a vehicle for increasing women's agency and power Moving to the West introduced significant changes for these women including public employment and thoroughly unconventional monastic lives As nuns and sisters adjusted to new circumstances and immersed themselves in rugged environments Butler argues the West shaped them and through their labors and charities the sisters in turn shaped the West These female religious pioneers built institutions brokered relationships between Indigenous peoples and encroaching settlers and undertook varied occupations often without organized funding or direct support from the church hierarchy A comprehensive history of Roman Catholic nuns and sisters in the American West *Across God's Frontiers* reveals Catholic sisters as dynamic and creative architects of civic and religious institutions in western communities      *Biographical and Historical Souvenir for the Counties of Clark, Crawford, Harrison, Floyd, Jefferson, Jennings, Scott, and Washington, Indiana* John M. Daniel P. Ewald,2009-02-23 Kirkus Discoveries book review Part devotional guide part encyclopedia Saints and Blesseds of the Americas will find a welcome place on the shelves of a new generation of Catholics Ewalds tidy collection provides an exhaustive country by country listing of all the Catholic saints and blesseds of the Western world In Catholic theology saints serve as intercessors between humanity and God blessedsthose who have undergone the process of beatificationare only one step away from becoming saints Believers pray to either for aid in any number of life pursuits Perhaps the most gratifying aspect of this catalogue is the fact that it is extremely up to date Ewald provides not only the saints and blesseds of old but also those recently beatified and canonized For example he presents the Blessed Lindalva Justo de Oliveira martyred in 1993 and beatified by Pope Benedict XVI just last year This is a timely reference guide at least in part because the previous popeJohn Paul IIwas a prolific supporter of the path to sainthood According to the Vatican Pope John Paul II beatified and canonized more individuals than all the popes of the past five centuries combined Thus Ewald fulfills an important role in bringing his devout readership up to speed But currentness is not the volumes only strength Ewald paints quick but thorough sketches of his many subjects His brief biographies never run much more than a page or two but he has an eye for the fine points and his portraits are always extremely pertinentthere are as few wasted details as there are wasted words However though his book serves best as a reference volume it also provides a surprisingly gratifying reading experience Ewald has the skill of a storyteller and each biography features a neat narrative arc A helpful compendium to the heroes of the American Catholic Church Ewald Fr Daniel P SAINTS AND BLESSEDS OF THE AMERICAS Xlibris 318 pp 2008 ISBN 978 1 4363 6762 2 Paper 978 1 4363 6761 5 Kirkus Discoveries Nielsen Business Media 770 Broadway New York NY 10003 discoveries kirkusreviews com **The Justification of the Good** Vladimir Sergeyevich Solovyov,2010-01-01 In this perhaps his most important work Solovyov explores notions of God goodness and spirituality and how he saw the modern world was changing them What does it mean to be good What if any virtues are inherent in humanity How can we reflect goodness in the practical realms of politics and society on the whole Solovyov s thoughts on some of the most basic questions we have ever asked are provocative and intriguing they had a profound influence on the writings of Tolstoy and Dostoevsky as well as the thinkers of the Soviet era Russian philosopher and literary critic VLADIMIR SERGEYEVICH SOLOVYOV 1853 1900 lived at a vital moment in history in which the burgeoning modernity of the Industrial Revolution was forever changing how humans live and
