**The Theatrical Firearms Handbook** Kevin Inouye, 2014-05-30 The Theatrical Firearms Handbook is the essential guide to navigating the many decisions that are involved in the safe and effective use of firearm props for both the stage and screen. This book establishes baseline safety protocol while empowering performers and designers to tell their story of conflict in a way that makes the most of both established convention and current tools of the trade. Within these pages are practical instruction couched in the language of theatre and film making; firearms technology and concepts approachable to dramatic artists without any dumbing down of the subject material. It contains over 100 illustrations. This handbook is equally at home within the worlds of academic training, professional performance and independent or community theatre and video productions and is an invaluable resource for fight choreographers, props designers, backstage crew, directors, actors, stage managers and more at all levels of experience. *Gun Trader's Guide, Thirty-Fourth Edition* Stephen D.

Carpenteri, 2012-10-01 Gun Trader's Guide is the original reference guide for gun values. For more than half a century this book has been the standard reference for collectors, curators, dealers, shooters and gun enthusiasts. Now in a completely updated edition, it remains the definitive source for making informed decisions on used firearms purchases. Included are extensive listings for handguns, shotguns and rifles from some of the most popular manufacturers including Beretta, Browning, Colt, Remington, Winchester and many more. This thirty-fourth edition includes a complete index and a guide on how to properly and effectively use this book in order to find the market value for your collectible modern firearm. With new color photos from gun dealers and shows as well as introductory materials that every gun collector and potential buyer should read, this book is the ultimate guide to purchasing firearms. No matter what kind of modern collectible firearm you own or collect, the Gun Trader's Guide should remain close at hand. *Gun Trader's Guide, Forty-Fifth Edition* Robert A.
