Follow with Reason Bob Galindo,2025-05-06 You Are a Born Follower We all have a primal instinct to follow yet in a society that idolizes leadership this instinct often goes unnoticed and therefore unchecked and untrained Most of us follow without conscious thought in all aspects of our lives personal professional and otherwise We adhere to our instincts social norms hierarchies and popular opinions simply because that is what we ve been taught to do But this blind unreasoned following isn t just ineffective it can be dangerous In *Follow with Reason* Bob Galindo Jr unveils the power of disciplining your followship skills and identifies five essential degrees that will transform passive following into intentional reasoned following From the instinctual degree where we are born through the curious and vulnerability degrees where followship is a journey Galindo offers real life stories and exercises to help you discover a reasoned followship process You ll learn not only why and how you follow but how to harness elite followship skills to become more self aware protect yourself from manipulation and even become a better leader Having a deficit of followship skills doesn t mean you do not follow Everyone follows It just means you may not follow well Discover why mastering these five degrees of skilled followship is crucial Take control of your influence align your decisions with purpose and follow with reason **IT Killed Capitalism. Thank You**

Mr. Gates J. Prakash,2021-07-08 Capitalism is the astounding belief that the most wickedest of men will do the most wickedest of things for the greatest good of everyone John Maynard Keynes Thus spoke Keynes The context made him concede that at least for another 100 years we have to accept Foul is fair and Fair is useless He said this in 1930 We are close to the end of those 100 years so Foul and Fair must take their rightful positions in the dictionary A handful of the super rich in the world the wickedest of men who using crafty narratives managed to do the wickedest things and exploit the whole of humanity managed to keep the vast majority of people in abject poverty However due to their bad luck or maybe some sorcery played by Keynes the rich got excessively greedy and that turned them into Basmasuras Lord Vishnu like he took the form of Mohini to burn and destroy Basmasura took the form of Information Technology IT to burn and destroy the super rich which he achieved by the year 2015 It may be a different matter if some of the modern Basmasuras still think they can be active Passage of time will put them in their place No one knows what shape the new world will take In this book based on a logical projection of what exists today I have given my prognosis in the concluding chapter of what the new world will look like My crystal ball says that it will be a beautiful world Thathastu
