*Ships Ahoy: A Guide to Identifying Merchant Vessels of the Eastern Bloc* Pasquale De Marco, 2025-07-20 From the humble beginnings of the Soviet merchant marine in the aftermath of the Russian Revolution to the global reach of the Eastern Bloc fleets at the height of the Cold War this book tells the story of the merchant ships and seafarers of the communist world Through a combination of archival research interviews with former merchant mariners and a wealth of illustrations the book provides a comprehensive overview of Eastern Bloc merchant shipping from the ships themselves to the men and women who served on them Readers will learn about the different types of ships that sailed under the Eastern Bloc flag from small coastal freighters to massive oil tankers and container ships They will also learn about the major shipping companies that operated these fleets and the challenges they faced in competing with their Western rivals The book also explores the role of Eastern Bloc merchant shipping in the Cold War These ships were not just commercial vessels they were also tools of espionage propaganda and economic warfare They were used to transport military supplies conduct surveillance missions and spread communist ideology around the world With the collapse of the Eastern Bloc in the early 1990s the merchant fleets of these countries were privatized or sold off Some ships were scrapped while others continue to sail under new flags Today Eastern Bloc merchant ships are a rare sight but they remain a reminder of a bygone era This book is a must read for anyone interested in maritime history the Cold War or the history of Eastern Europe It is a fascinating and informative account of a little known but important chapter in world history If you like this book write a review

The Submariner's Dictionary Or Submariner's Compendium of Terms & Tar's Handbook of Naval

Verbiage and Retired Guy's Re-familiarization Manual Ron Martini, 2005 Submariners are a tight knit group of men bound together by training and experience and with a language all their own That language is perhaps a little vulgar but never intentionally demeaning and a little irreverent but still worldly This work is an attempt to preserve and explain some of these curious guys who so proudly wear a shiny metal pin that looks like a strange pair of fish on their left breast This process of accumulating this new language begins in Boot Camp and is added to with every change of duty station the sailor undergoes It is heard aboard the boats and unknowingly by family members who can't understand terms like head deck and overhead and who think SOS is a distress signal     Army ,1996     Manual of Seamanship Great Britain. Admiralty,1952     **Modern Warships** Kit Bonner, Carolyn Bonner,2007     *Weapons* Jason Richie,2000 Traces the development of weapons through the lives of such inventors and their inventions as David Bushnell and the submarine Samuel Colt and the revolver John Ericsson and the battleship Hiram Maxim and the machine gun and Ernest Swinton and the tank     Means of Transportation and Registration of Nationality Vincent P. Cogliati-Bantz,2015-05-22 This book examines the concept of nationality of means of transportation in terms of jurisdiction in international law It reassesses the definition of nationality and explores how it is conferred The book first places nationality in the broader perspective of jurisdiction in international law and examines the historical development and necessity of the nationality of means of transportation It goes on to investigate whether and under which conditions international organizations may confer a nationality on means of transportation examining the law of the sea conventions and air and space treaties The book finally explores several questions relating to international registration of means of transportation building a regime of international registration Vincent Cogliati Bantz introduces a necessary distinction between transport internationally registered and transport registered in a State but fulfilling a mission for an international organization As a work that proposes the ability for international organisations to access international spaces without reliance on State registered means of transport this book will be of great use and interest to scholars and students of public international law international organisations and maritime space and aviation law     *Warship Recognition Manual* United States. Office of Naval Intelligence,1950     **Infantry** ,1996     **Battlefield Support** Geoff Cornish,2003 Profiles some of the different equipment and personnel that provide support services on the battlefield for the United States and other nations around the world     Signalman 3 & 2 United States. Bureau of Naval Personnel,1956     **Battlefields of Pax Americana** George H. Stollwerck,2004-10-19 The United States has been the world's only superpower since the fall of the Berlin Wall perhaps longer International political strategists refer to the current condition as Pax Americana Pax Americana is summed up in thirty one page document of political philosophy that some of our leaders have been touting since it was reported in the September 23 2002 edition of the Christian Science Monitor It asserts American dominance as the lone superpower a status no rival power if one existed would be allowed to challenge Namely that only America has the means motivation and political will to stamp out terrorism     Signalman 1 & C. The Top Books of the Year Warship Recognition Guide The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. Warship Recognition Guide : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
