**Sunday-school Times** ,1889 **What Happens Next?** Bruce L. Taylor, 2023-02-08 Bruce Taylor's latest volume of sermons  
for the Common Lectionary Revised compiles traditional and story form proclamations for the Sundays and feast days from  
Advent through Eastertide in Year B of the three year lectionary cycle Theologically rich sacramentally sensitive and  
ecumenically minded these biblically centered sermons articulate God's love for the whole creation the profound implications  
of discipleship and the necessity of Christian unity Like its predecessors in Taylor's first and second journeys through the  
lectionary What Happens Next is intended for use by preachers educators seminary students and devotional readers who will  
all find it to be a welcome companion in penetrating the spiritual genius of the liturgical year and the usefulness of preaching  
from common texts The book exemplifies how preaching from Mark's Gospel and the accompanying lectionary readings can  
shape interaction with the elements of the liturgy to encourage faithful Christian worship The very uniqueness of Mark  
among the Gospels is elicited to prompt the whole church and each believer to respond to the question posed implicitly but  
insistently by the women's discovery of the empty tomb on Easter morning What happens next *Sunday School Journal for

Is God interested in politics Does He want you to get involved Can ordinary citizens have real power instead of just influence  
Can we empower evil powers without even realizing it Is tolerance a virtue or a sin These answers and more are found in
