Parsley Recipe Abortion:

Contraception and Abortion from the Ancient World to the Renaissance John M. Riddle,1992 This text traces the history of contraception and abortifacients from ancient Egypt to the 17th century and discusses the scientific merit of the ancient remedies and why this knowledge about fertility control was gradually lost over the course of the Middle Ages

Abortion and Contraception in Modern Greece, 1830-1967 Violetta Hionidou, 2020-05-15 The book examines the history of abortion and contraception in Modern Greece from the time of its creation in the 1830s to 1967 soon after the Pill became available It situates the history of abortion and contraception within the historiography of the fertility decline and the question of whether the decline was due to adjustment to changing social conditions or innovation of contraceptive methods The study reveals that all methods had been in use for other purposes before they were employed as contraceptives For example Greek women were employing emmenagogues well before fertility was controlled they did so in order to put themselves right and to enhance their fertility When they needed to control their fertility they employed abortifacients some of which were also emmenagogues while others had been used as expellants in earlier times Curettage was also employed since the late nineteenth century as a cure for sterility once couples desired to control their fertility curettage was employed to procure abortion Thus couples did not need to innovate but rather had to repurpose old methods and materials to new birth control methods Furthermore the role of physicians was found to have been central in advising and encouraging the use of birth control for health reasons thus facilitating and speeding fertility decline in Greece All this occurred against the backdrop of a state and a church that were at times neutral and at other times disapproving of fertility control Culinary Herbs and Spices Elizabeth I Opara, Magali Chohan, 2021-08-09 The aim of this book is to bring together current knowledge of thirty of the most commonly used culinary herbs and spices globally in an accessible dictionary format Contraception Guidebook William R. Cutrer, Sandra Glahn, 2005 A Comprehensive Christian Guide to Contraception The Contraception Guidebook equips you to make fully informed decisions about the complex and deeply personal issue of contraception Written in a personal engaging style by a male obstetrician gynecologist and a female educator and journalist both theologians this easy to read book is packed with the most current medical information on every option old and new You ll also learn the success rates ethical considerations and risk factors involved gain insights from real life couples facing different concerns and obtain medically reliable and biblically sound wisdom for your questions Each chapter ends with questions to help you and your mate communicate on key issues Formula for Life Eberhard Kronhausen, Harry B. Demopoulos, 1990-06 The unique top performance and longevity program followed by celebrities such as Clint Eastwood Shirley MacLaine and Sylvester Stallone This scientifically formulated program outlines the use of vitamins as antioxidants to fight the buildup of disease causing free radicals in the body and to promote an optimal level of good health and longevity

The Handbook of Mediterranean Diet: A Nutrition Book with the Healthiest & Tastiest Recipes Backed by

Science Dr. Theo Christodoulakis, NMD H (ASCP),2017-12-14 We always hear about the health benefits of a Mediterranean diet but do we really know what Mediterranean foods to cook or eat When asked that question most people may tick off olive oil olives walnuts vegetables and fruits but most have little idea how to incorporate these items into a regular diet Dr Theo Christodoulakis a practicing physician in Arizona with a doctorate in naturopathic medicine explains what a Mediterranean diet is and why those who embrace it enjoy reduced incidents of cardiovascular and chronic diseases even if they consume increased amounts of fat and animal proteins Filled with tasty recipes and practical advice this handbook will help you live a longer and healthier life by enjoying healthy and flavorsome foods **Life's Work** Willie J. Parker, 2017-04-04 An outspoken Christian reproductive justice advocate draws on his upbringing in the Deep South and his experiences as a physician and abortion provider to explain why he believes that helping women in need without judgment is in accordance with Christian Eve's Herbs John M. Riddle, 1999-04-15 In Contraception and Abortion from the Ancient World to the Renaissance Riddle showed that women from ancient Egyptian times to the fifteenth century had relied on an extensive pharmacopoeia of herbal abortifacients and contraceptives to regulate fertility. Here he explores why knowledge of these methods was lost in The Moral Property of Women Linda Gordon, 2002-11-06 Now in paperback The Moral Property of Women modern times is a thoroughly updated and revised version of the award winning historian Linda Gordon's classic study Woman's Body Woman's Right 1976 It is the only book to cover the entire history of the intense controversies about reproductive rights that have raged in the United States for more than 150 years Arguing that reproduction control has always been central to women's status Gordon shows how opposition to it has long been part of the entrenched opposition to gender equality
