Part English Honours Question Answers in Bardwan University:

C.U. English Honours Questions Suman Chakraborty, 2010-02-21 This unique anthology of assorted topics on a vast number of literary texts is a signatory book for teachers and students of any level of academic study from school to University. Ranging from the Old English to the postmodern period, the anthology provides an extremely useful collection of topics which can be used to set examination questions, making essay outlines, writing critical observations, drafting research and academic papers, and for creating lesson plans. The anthology takes the currently renovated English Honours syllabus of the University of Calcutta, which is considered as one of the world's very best literary selections. Additionally, questions of previous years are arranged text by text so that students can understand how the focal point of one topic changes from question to question. Furthermore, similar topics are segregated and arranged together to enhance the students' ability to augment their critical potential to approach any literary text with a lot more mastery and confidence as well. In short, this handbook is an invaluable and unified companion for all students studying English Literature at any level all over the world. Updated every year, this latest edition is an indispensable and unique addition to any academic library. *C.U.
