Pas Agrave Pas

Leon Smith, Henry Hamilton (teacher)

Pas Agrave Pas:

South Pass Will Bagley, 2014-05 Wallace Stegner called South Pass one of the most deceptive and impressive places in the West Nowhere can travelers cross the Rockies so easily as through this high treeless valley in Wyoming immediately south of the Wind River Mountains South Pass has received much attention in lore and memory but attracted no serious book length study until now In this narrative award winning author Will Bagley explains the significance of South Pass to the nation s history and to the development of the American West Fur traders first saw South Pass in 1812 From the early 1840s until the completion of the Union Pacific and Central Pacific Railroads almost forty years later emigrants on the Oregon California and Mormon Trails used South Pass in transforming the American West in a single generation Bagley traces the peopling of the region by the earliest inhabitants and adventurers including Indian peoples trappers and fur traders missionaries and government commissioned explorers Later California gold rushers Latter day Saints and families seeking new lives went through this singular gap in the Rockies Without South Pass overland wagons beginning their journey far to the east along the Missouri River could not have reached their destinations in a single season and western settlement might have been delayed for decades The story of South Pass offers a rich history The Overland Stage Pony Express and first transcontinental telegraph all came through the region Nearly a century later President Dwight D Eisenhower designated South Pass as one of America s first National Historic Landmarks An American place so rich in historical significance Bagley argues deserves the best of historical preservation efforts

The Pass John van Buren, 2014-07-08 The Pass is a humorous yarn about the first eight years of John van Buren s farming career Set at Okuku Pass Station in North Canterbury New Zealand the book follows John as he learns the arts of farming rodoeing playing rugby and generally having a good time in rural New Zealand Told in the manner of a good kiwi bloke the story will have you laughing with and at the characters you meet along the way Enjoy the mirth as you saddle up and ride your way through the pages of this epic tale told in a gripping no holds barred narrative
