

E Complete the sentences with the verbs in parentheses. Use the past perfect or simple past tense.

1. As soon as I got to class, my teacher _____ us a pop quiz. (give)
2. I got a dog last year. Up until then, I _____ any pets. (never have)
3. Sam and Sue got married on Sunday. The next day, they _____ on a trip. (go)
4. My Chinese class went out for dim sum. Before that, I _____ it before. (never taste)
5. Lara bought a car this summer. Until that time, she _____ how to drive. (not know)
6. The moment George canceled all his credit cards, he _____ his wallet. (find)

F Read the sequence of events. Complete the sentences with the phrases from the box.

and in the end I forgot to mention that	I'll never forget the time it all started when	meanwhile the next thing I knew
--	---	------------------------------------

1. _____ last year in college when my friends decided to play a joke on me.
2. _____ there was a loud knock at the door and I went to open it.
3. _____, my friend Sue had hidden inside a big box outside my door.
4. I started opening it, and _____, she jumped out and scared me, so I screamed.
5. Oh, _____ it was midnight, and there was no one around!
6. My friends were outside filming the whole thing. _____, they all came out laughing.

G Read the e-mail. Then check (✓) true or false.

Dear Anita,

I've got to tell you about what happened to me the other night. At the dorm, we have these fire drills from time to time. So what happened was, I was exhausted from studying for a test, and I was fast asleep in my bed, and in the middle of the night, we had a fire drill. Even though the alarm was loud, my roommate Ling had to wake me up.

So we went downstairs and out of the building to wait for the drill to be over. Everyone else in the dorm was outside too. I was so tired, and I really wasn't paying attention. The next thing I knew, everyone was laughing hysterically. I didn't know what they were laughing about.

To make a long story short, I had gone downstairs wearing my pajamas with little pink cats all over them. And the other thing was, I was carrying my teddy bear! I was so embarrassed!

Write soon and tell me what you're up to.

Love your big (embarrassed) sister,
Maria

1. Maria's dorm had a fire.
2. Ling had to wake Maria up for the fire drill.
3. Maria was wearing pajamas with bears on them.
4. Maria was embarrassed because she was carrying a teddy bear.

Cloze and Coherence John W. Oller, Jon Jonz, 1994 Cloze procedure is a family of testing and teaching methods that leave blanks in discourse and ask examinees to restore the missing elements Edited and coauthored by award winning scholars Cloze and Coherence shows how and why cloze procedure is sensitive to discourse constraints and it offers a comprehensive theory of semiotics showing what coherence is and reviewing a great deal of cloze research It traces in particular the history of cloze research pertaining to studies of coherence from Hermann Ebbinghaus in the 1890s to Wilson L Taylor in the 1950s until today The research

presented here aims to show that cloze scores tend to fall if discourse constraints are disrupted Also explored are many subtle questions associated with this tendency Populations discussed include native and nonnative speakers of English native and nonnative speakers of French and certain special populations such as deaf subjects and educable mentally retarded subjects Contrary to some experts it appears from the theory and the research that all of the normal subject populations as well as the special populations examined here benefit from the cognitive momentum gained from the episodic organization of ordinary discourse This finding is sustained by research from Taylor Oller et al Cziko Bachman Jonz and Taira Further some of Jonz s recent work shows why scrambling encyclopedic text Timothy Shanahan and colleagues failed to produce any significant decrement in cloze scores Jonz demonstrated empirically that some texts just as Gary A Cziko had predicted are not made more difficult by scrambling their sentences because the sentences of those texts are in some cases arranged in the manner of a list rather than a logically or chronologically structured series Scrambling the list therefore has no significant impact The final chapter of this study gives a comprehensive review of research reportedly showing that cloze is not sensitive to coherence The authors show that all those efforts suffer from fatal flaws Cloze and Coherence offers advances of two kinds First a better theoretical basis for experimental research on discourse comprehension and on literacy and language acquisition is presented which stems from a fleshed out semiotic theory Second experimental advances whose results are published here for the first time appear in various studies by Jonz Chihara et al Oller et al and Taira This work is well researched and illustrated It includes figures tables appendices a glossary and an index It will be a valuable tool for language and literacy testers and teachers

While this might not be the Passages 1 Test full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Passages 1 Test eBooks, including some popular titles.

FAQs About Passages 1 Test Books

What is a Passages 1 Test PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Passages 1 Test PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Passages 1 Test PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Passages 1 Test PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Passages 1 Test PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
