Primary Education in Malawi Vaikalathur Ravishankar, Safaa El-Tayeb El-Kogali, Deepa Sankar, Nobuyuki Tanaka, Nelly Rakoto-Tiana, 2016-04-06 The objective of this report is to inform an improved understanding of expenditure allocations and processes the quality of service delivery in terms of inputs and outputs and educational outcomes associated with primary education in Malawi The report will also assess the government s own diagnosis of challenges in the primary education sub sector and the reform program intended to address them The findings of this report are intended to inform discussions as to how to strengthen the government program and associated financing mechanisms to enhance the likelihood of success

The Oxford Handbook of the Malawi Economy Hopestone Chavula, Thomas Chataghalala Munthali, Harold P. E. Ngalawa, Boniface Dulani, 2024-08-28 The Oxford Handbook of the Malawi Economy is an essential reference material with new research contributions and insights across the different areas of economic development to shape the country s future growth and development trajectory The volume is the first publication that tries to assess the performance of the Malawi economy since independence by examining how the underpinning political and economic history and the associated policies and strategies have affected the country s long term socio economic development It captures a broad range of opinions approaches and conclusions which serve to underline both the complexity of the issues and challenges facing Malawi and the immense difficulties in tackling them Common themes emerge as many authors agree that the country needs to learn from its past experiences in terms of policy design and implementation and the need to implement dynamic policies that could spur productive and sustained growth and development by tackling challenges associated with the continuously evolving global economic environment
