Chryssides,2022-01-27 What would happen if I accepted an invitation to Bible Study from Jehovah s Witnesses What would attending a Kingdom Hall meeting involve And if I invited door knocking Witnesses into my home This book introduces Jehovah s Witnesses without assuming prior knowledge of the Watch Tower organization After outlining the Society s origins and history the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with Witnesses and progresses to take instruction and become a baptized member The book then explores what is involved in being a Witness congregational life lifestyle rites of passage their understanding of the Bible and prophetic expectations It examines the various processes and consequences of leaving the organization controversies that have arisen in the course of its history and popular criticisms Discussion is given to the likelihood of reforms within the organization such as its stance on blood transfusions the role of women and new methods of meeting and evangelizing in response to the COVID 19 pandemic Religiosity in East and West Sarah Demmrich,Ulrich Riegel,2020-11-06 The book discusses the theoretical and

methodological challenges of an interculturally valid sociology of religion and provides insights into the autochthonous socio religious research in Muslim societies and Asian countries In this way it links discourses that have so far taken place primarily independently of one another The book goes back to a conference in Münster that questioned the Western foundation of empirical religiosity research which reaches its limits in the non American and non European context but also with regard to orthodox forms of faith in the Western context

**The Westminster Study Edition of the Holy Bible**, 1948

**When Dinosaurs Fall** Orlando Rodriguez, 2020-02-17 I was born into the religion of Jehovah's Witnesses and was raised by my forebears with the single minded goal to be baptized in the name of the Lord Jehovah Lucky me There was a problem with this monomaniacal plan I was an atheist as far back as I could remember Before I continue I'd like to make the following requisite statement which I think is very important to articulate I promised myself that I did not want to make another Jehovah's Witness bashing book There are plenty of those available I try to convey the intentional internal conflict that is nourished in the congregation and the ideologies used as brainwashing you to accept the truth It is important to note that the Jehovah's Witnesses are a cult just like every other

religion but there is some real danger to this unusual sect of Christianity You will be called to sacrifice your child s life to God if they require a blood transfusion to save their life You will be forced into not pursuing higher education the sole purpose of your existence to preach the Good News Women are to be submissive to male counterparts at all times I can truly say that this is not the religion you should be looking at if you want answers to life s yearning questions **The City of God -**

**Abridged Study Edition** Saint Augustine,2018-06-15 For all those who are interested in the greatest classics of Christian antiquity The City of God is indispensable This version also contains thought provoking study questions at the end of each chapter Along with his Confessions The City of God is undoubtedly St Augustine s most influential work In the context of what begins as a lengthy critique of classic Roman religion and a defense of Christianity Augustine touches upon numerous topics including the role of grace the original state of humanity the possibility of waging a just war the ideal form of government and the nature of heaven and hell But his major concern is the difference between the City of God and the City of Man one built on love of God the other on love of self One cannot but be moved and impressed by the author s breadth of interest and penetrating intelligence **The Incarnate Christ and His Critics** Robert M. Bowman Jr.,J. Ed Komoszewski

,2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God s eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah s Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ **The**
