Creative Portuguese Ian Costabile,2017-06-18 The Verb Set method is an innovative approach created by the author that promotes learning through speaking Every set contains six verbs and a practice objective such as mastering a tense or a theme The questions aim to develop conversation and to help to generate other ideas and phrases Through the necessity or curiosity of formulating responses the student actively searches for information contrary to most conventional methods which simply deliver information to a passive student The level of difficulty increases progressively as each section is completed This book was designed for students of Brazilian or European Portuguese The English in Portugal, 1367-87 Fernão Lopes,Derek W. Lomax,1988 It is astonishing that this is the first English translation of these Chronicles as they are undoubtably amongst the finest produced in the Middle Ages and treat an important episode in the Hundred Years War Lopes mastery of dramatic narrative and picturesque description so ably captured in this translation found a fit subject in the foreign interventions and the revolutionary changes that took place in the second half of the 14th century in Portugal What makes Lopes virtually unique as an historian of that date is his insistence on the use of documentary sources as he explains in his prologue to The Chronicle of Dom Joao something that he as the keeper of the Royal archives was able to practice so effectively It seems fitting that Fernao Lopes great work should appear in a dual language edition as a tribute to the six hundred years alliance whose beginning he so vividly recalls between the English and Portuguese peoples *A Pocket Guide to Portugal* United States.
