That's right. Effects to have from which only one of several, knowing the good and bad, have effect. It's not then considered for planning is being aware of that.

However, other things are involved in the general consideration of what is the best for a country or nation. There's a lot of things going on, and the effect of things, and it's not always the same. It's not always the same. It's not always the same.
