Ordinary Sins Jim Heynen, 2014 Filled with a colorful and strange cast of female and male characters guilty of only ordinary and forgivable sins this collection of micro fiction reveal the universal human idiosyncrasies and are paired with evocative illustrations from a renowned illustrator **Converge Bible Studies: Our Common Sins** Dottie

Escobedo-Frank, 2013-04-04 The disciples were fairly ordinary people They had regular families made their livelihoods in regular ways and had typical and varied political leanings But they met Jesus and started to live extraordinary lives Because of their closeness to Jesus we tend to think that the disciples lived lives with less sin than we live with We imagine that Jesus love rubbed off on them so that they were also extraordinary humans But the Gospels show us differently They show us that Jesus close companions were as human as we are And it is because we recognize the sins of the disciples as our own that we can relate to them so closely They are our common sins Converge Bible Studies is a series of topical Bible studies based on the Common English Bible Each title in the series consists of four studies on a common topic or theme Converge can be used by small groups classes or individuals Primary Scripture passages are included for ease of study as are questions designed to encourage both personal reflection and group conversation The topics and Scriptures in Converge come together to

transform readers relationships with others themselves and God **Acts of Faith and Imagination** Brent Little, Mark Bosco, SJ, 2023-08-04 Acts of Faith and Imagination wagers that fiction written by Catholic authors assists readers to reflect critically on the question what is faith To speak of a person s faith life is to speak of change and development As a narrative form literature can illustrate the dynamics of faith which remains in flux over the course of one s life Because human beings must possess faith in something whether religious or not it inevitably has a narrative structure faith ebbs and flows flourishes and decays develops and stagnates Through an exploration of more than a dozen Catholic authors novels and short stories Brent Little argues that Catholic fiction encourages the reader to reflect upon their faith holistically that is the way faith informs one s affections and how a person conceives and interacts with the world as embodied beings Amidst the diverse stories of modern and contemporary fiction a consistent pattern emerges Catholic fiction portrays faith at its most fundamental often unconscious level as an act of the imagination Faith is the way one imagines themselves others and creation A person s primary faith conditions how they live in the world regardless of the level of conscious reflection and regardless of whether this is a religious faith Acts of Faith and Imagination investigates the creative depth and vitality of the Catholic literary imagination by bringing late modern Catholic authors into dialogue with more contemporary ones Readers will then consider well known works such as those by Graham Greene Flannery O Connor and Muriel Spark in the fresh light of contemporary stories by Toni Morrison Alice McDermott Uwem Akpan and several others **Stories for persons in the middle ranks. Tales for the common people. Strictures on female education. Hints towards forming the character of a young princess. Estimate of the religion of the fashionable world. Essays, &c., &c** Hannah More, 1840

Stories of Transformation and Hope Irene Alexander, 2014-01-08 What if the people I know were to be transformed by an encounter with the cosmos The immigrant woman who argues with the doctor the homeless man on the street corner the corrupt politician the fisherman risking his life to make a living What if I met up with them in a decade and found that each had experienced a life transformation after meeting the God Man Jesus who touched them in the deepest core of their being And what if one of Jesus closest companions Mary Magdalene was to meet them and listen to their story the story of their life and their encounter with the one who brought transformation This book collects the imagined stories of men and women of whom we know very little only the bare bones of their encounters and turns them into stories for today for the immigrant woman the homeless man the politician and the fisherman any of us who want to deeply encounter a God who meets us as a real person The stories touch us because they are refashioned into the contextual thinking of our time and our culture and yet they reflect the reality of another time a time when God walked among us in our streets and our neighborhood and into our homes Mary's gospel calls us from self woven narratives and familiar scripts to a place of transformation an encounter with the Divine to become more fully who we long to be on earth as it is in heaven Book jacket **Tell Me Your Story**
