

Tuition Fee Waiver Letter Example

To the Yates University School Board:

Thank you very much for taking the time to open and read this letter. I am a hopeful applicant for admission to the program, and I have long wanted to attend college in order to further my understanding of the world as well as pursue a better life for my family. Yates University has long been at the top of my list of schools for application due to its strong program in pre-legal studies, a field that I am highly interested in pursuing. I am writing this waiver letter to ask for a waiver of the application fee for admission, which is a huge burden on my family in current circumstances.

Since my father left when I was a child, I have only had my mother to rely on. She recently lost her job, and has been having trouble finding new employment. My other siblings and I have all found part-time employment to help support the family temporarily, but we all know that it is not a permanent solution. In our current financial situation, we do not have the means to pay the application fee for each school that I am applying to, and I hope that you will waive my fee requirement for application.

My goal is to become a lawyer in the future, and I know that Yates University is the perfect place for me to start my education in the legal field. I hope that you will be able to waive my application fee requirement so that I will be able to submit my application for review based on my accomplishments and merits rather than my financial circumstances. Thank you very much for your consideration, and I hope to hear from you soon with your positive response.

Sincerely,
Jonathan Walker
