Figure 10 is a scatter plot showing the relationship between the number of years of experience and the number of projects completed. The x-axis represents the number of years of experience (0 to 10), and the y-axis represents the number of projects completed (0 to 10). The data points are as follows:

Years of Experience	Number of Projects Completed
1	1
2	2
3	3
4	4
5	5
6	6
7	7
8	8
9	9
10	10

The scatter plot shows a strong positive linear relationship between the number of years of experience and the number of projects completed. The data points are perfectly aligned along the line  $y = x$ , indicating that the number of projects completed is directly proportional to the number of years of experience.
