

## PASTORAL PLANNING PRAYER

Heavenly Father,  
You have called us to be your people and to journey in faith, hope, and love.  
May we face all challenges along the way, confident in the light of Your grace.

Christ, Good Shepherd,  
Help us listen to your voice and follow you, so that our lives may be transformed.  
May we in turn reflect your loving care for all the members of your flock.

Holy Spirit, flame of Love,  
Empower us with your gifts to build up the Church in the Diocese of Peterborough  
and beyond. Strengthen us so that we may be faithful to our calling and our mission.

O Blessed Trinity,  
Enlighten us so that we may be light for the world. Lead us, so that we may lead others  
to you. Above all, ignite our hearts with your love so that we may reflect your goodness  
and mercy before all people.

Amen.

*Guide to Ministering to Alzheimer's Patients and Their Families* Pat Otwell,2008-05-19 Learn how to develop an effective Alzheimer s ministry The Guide to Ministering to Alzheimer s Patients and Their Families

examines the importance of spirituality in dealing with the everyday challenges of this mysterious disease. Not a how to manual with step by step instructions or tried and true formulas, this unique book instead examines the essential elements of ministering to dementia patients based on the first hand accounts of family members living through pain and uncertainty. The book explores the stages of Alzheimer's grief and guilt, available resources and implications of spiritual care for patients and families. It is equally useful as a textbook for graduate and undergraduate work, a reference for study groups and seminars, and a primer for those with limited knowledge of the illness. Ministers sometimes neglect Alzheimer's patients and their families because they feel they don't know what to say or do, even though they want to be obedient and faithful servants in this specialized ministry. *The Guide to Ministering to Alzheimer's Patients and Their Families* communicates the thoughts, feelings, and needs of those affected by the disease to help ministers feel more comfortable, confident, and competent as they develop a theological understanding of God, Alzheimer's patients, and their role in ministry. The book also provides models for ministry role play scenarios, a sample text for a care facility worship service, a care facility memorial service, and a funeral service for a Christian and a non-Christian, as well as a sample clergy seminar program on Alzheimer's ministry. *The Guide to Ministering to Alzheimer's Patients and Their Families* examines common characteristics of early, mild, moderate, and severe Alzheimer's, general information about Alzheimer's, ethical decision making, support group ministry, respite care, religious rites, faith issues, heredity, hospitalization of Alzheimer's patients, long distance caregiving, working with other clergy. *The Guide to Ministering to Alzheimer's Patients and Their Families* also includes a special appendix of selections from the Scriptures. This book is a unique resource for all Christians who desire to minister to those affected by Alzheimer's, especially pastors, priests, chaplains, pastoral counselors, church leaders, healthcare professionals, and seminary students.

*A Chance to Serve* Brian Reynolds, 1983. *A Chance to Serve* is a formation program that enables teenagers to become effective ministers to their peers. This systematic program offers interested young people a progressive sequence of opportunities for growth in personal faith, for community building, and for leadership training. Written by Brian Reynolds, cofounder of the Center for Ministry Development, this training program has been successfully piloted in several different settings around the country. This peer ministry training program is suitable for use in a variety of settings: schools, parishes, retreat centers, youth programs, campus ministry settings, or diocesan youth organizations. The leader's manual is organized into three sections. Section 1 presents the conceptual and theoretical framework of peer ministry. Section 2 addresses the practical aspects of establishing a program. Section 3, which forms the heart of the training program, consists of eighteen detailed 150 minute training modules, including copies of the worksheets for the young people. A bibliography contains additional peer ministry resources for the reader.

MacArthur, Master's Seminary Faculty, 2017-03-07 Pastor John MacArthur combines his passion for the Bible with the training expertise of faculty members at The Master's Seminary to guide seminary students and ministry leaders in developing their pastoral ministry skills Pastors today can easily become preoccupied with the many pitfalls of modern culture buying into the idea of image and straying from Jesus's call to shepherd leadership Pastoral Ministry How to Shepherd Biblically presents a practical pastoral theology aimed at showing pastors and pastors in training the vital role God's word plays in shaping the preparation and maintaining the priorities of pastoring The authors examine the biblical teaching about the high and demanding call to ministry required of any spiritual shepherd You'll learn how to pursue intentional growth through the stages of calling training and ministering to God's church along the way uncovering answers to questions such as How does the Bible establish a philosophy of pastoral ministry and what is it Who is personally qualified to be an undershepherd of God's flock What are the biblical preparations required of shepherd leaders What priority does God's word place on activities involved in pastoral ministry United in affirming shepherd leadership as the biblical model for pastoral ministry The Master's Seminary faculty contributes a treasury of expertise alongside insights from well known Bible teacher John MacArthur This book will inspire any pastor dedicated to serving God's church in the pattern of Jesus Christ
