To whom it may concern:

VERITAS Software employs Denise Myers full-time as an Executive Administrative Assistant. For more than four years she managed many operational functions for an organization of 180 people and directly supported 1-2 executives at any given time.

Denise is an intelligent and motivated individual. She is organized, efficient, and willing to do whatever is needed to get a particular task finished. Because there were often last-minute deadlines, her cooperative attitude and good cheer were important and appreciated. She has been the backbone of the organization and keeps it running smoothly by tracking and managing multiple projects, daily/weekly/monthly events, and people. She is well respected by everyone in the organization and her talents and contributions are recognized by all those that have the pleasure of working with her.

As part of her responsibilities, Denise manages multiple schedules. She is very organized and has the ability to keep many others organized as well. For example, she has developed the system we use to track sales opportunities on a weekly basis and ensures that people keep their data up-to-date and meet submission deadlines with the creative use of Outlook's scheduling capabilities. She manages people and relationships well, and by doing so, she is able to ensure their responsiveness and accountability in meeting the requirements of the deadlines.

Denise deserves serious consideration as a potential employee, and I recommend her highly.

If you would like additional information about Denise, you can telephone me at (248) 652-2882.

Sincerely,

Mark Wright
