Sample Thank You Letter (After a Grad School Informational Interview)

Dear Dr. Brown:

I appreciated the opportunity I had to interview with you last week at UIS. I was very impressed with your perspective of the graduate program in Public Health, and I thank you for taking time to discuss your department's curriculum and experiential learning opportunities with me.

As I will be graduating in May 2009 with a bachelor's degree in Biology, I feel that my education will help me to excel in the field of public health. However, I feel that my internship and volunteer experience in the public policy sphere give me a unique perspective on public health, and make me an ideal candidate for this graduate program.

Thank you again for your time meeting me and providing valuable advice. I look forward to the next step in the application process and future opportunities that may arise. Please feel free to contact me if you need any additional information at 217-555-5555.

Sincerely,
