Season Of The Wasp:

The Sirex Woodwasp and its Fungal Symbiont: Bernard Slippers, Peter de Groot, Michael John Wingfield, 2011-10-20
The Sirex woodwasp *Sirex noctilio* is the most important invasive alien insect pest of *Pinus* plantations in the Southern Hemisphere. It now also threatens pines in North America. This book brings together the worldwide knowledge of researchers from Universities and Government institutions as well as forest industry practitioners that have worked on the pest. Importantly, it is the first comprehensive treatment of the subject since *S. noctilio* was discovered outside its native range around 1900. The book covers all aspects of the biology and management of *S. noctilio*, including aspects of the insect's taxonomy, general life history, host plant relationships, population dynamics, chemical ecology, and symbiosis with the fungus *Amylostereum areolatum*. The book also contains a comprehensive synthesis of the history and current status of the pest and worldwide efforts to control it, including biological control, silviculture, and quarantine.

Introduction to Yellowjackets (TV series) Gilad James, PhD, *Yellowjackets* is a thrilling American television series created by Ashley Lyle and Bart Nickerson. It premiered on Showtime in November 2021 and instantly captured audiences' attention with its gripping plot and intriguing characters. The show tells the story of a group of high school girls who survive a plane crash while traveling to a soccer game. Stranded in the remote wilderness, the girls must confront a harsh reality and search for means to survive. As the episodes progress, the story unfolds with flashbacks to their time in high school and present-day events. The girls' survival instincts are put to the test as they face the challenges of the wilderness and their past traumas. Simultaneously, the show explores themes of power, sexuality, and the complicated relationships among the characters. The strong performances of the cast, including Melanie Lynskey, Christina Ricci, and Tawny Cypress, add depth and intrigue to this already gripping thriller, making it a must-see for fans of suspenseful and thought-provoking television dramas. Overall, *Yellowjackets* is a show that has captivated audiences with its unique premise, masterful storytelling, and fascinating characters. It does an excellent job of balancing the horror of the crash with a deep exploration of each character's backstory and motivations. The show has been praised for its strong performances, stunning cinematography, and intricate plot twists that keep audiences hooked from start to finish. It is a must-watch for those looking for a thrilling ride.
