

RWU Roommate Agreement

This form should be completed with all roommates present. Living with others requires residents to be open, flexible, respectful and understanding. It's important to communicate with your roommates when disagreements occur, and to be open to compromise. Learning to acknowledge and respect differences is one of the most valuable parts of the residential experience and the purpose of the Roommate Agreement is to assist everyone in setting standards and expectations. This will serve as a guide and should be used to create conversation and as a place to write down what everyone has agreed on. **Please note that current policies may be subject to change depending on the COVID guidelines outlined throughout the academic year.**
