Reacher and his readers right to the edge and beyond **Make Me** Lee Child, 2016-03-24 Jack Reacher has no place to go and all the time in the world to get there so a remote railroad stop on the prairie with the curious name of Mother's Rest seems perfect for an aimless one day stopover. He expects to find a lonely pioneer tombstone in a sea of nearly ripe wheat but instead there is a woman waiting for a missing colleague, a cryptic note about two hundred deaths and a small town full of silent watchful people. Reacher's one day stopover turns into an open ended quest leading to the most hidden reaches of the internet and right into the nightmare heart of darkness. Child's best for some time with detective story and romcom elements even sly humour on top of the psychological duels and set piece violence. Sunday Times
