Now Olivia's life has been turned upside down by a monster that she had escaped from with three other women years earlier. Her only chance to stay free is to trust in Ulysses one more time. Life has given her more than bringing Ulysses Lee Jacobs back to her, though it's given her Nathan Gordon, a man she easily and quickly falls for. These three have to work together to heal old wounds and stop the monster once and for all before he's able to destroy the life they are working to create together. Olivia and Lee have to overcome the pain of misunderstanding from the past, face up to the truth of their time as teenagers, and learn to accept the love that they have now formed with Nathan. When separation from Darren becomes more than he can stand, Graham goes back to Darren, begging for another chance. He sets out to prove to Darren that what they have together is special. Then Graham learns some terrifying news that changes everything. Someone has put a hit out on him, and everyone he loves. Graham knows what he has to do. As much as it pains him, Graham tells Darren they are over again. He knows that this time Darren will never give him another chance, but at least the man will be alive to hate him. Graham goes into protective custody along with other members of the drug task force he works on, and his family. But when well-meaning friends interfere, can Graham save the man he loves before an assassin's bullet gets him, or will he lose Darren before he has a chance to tell him and the entire world of his love?
