Tiny Little Pharmacists Michael Park, Darrell Mala and Jack are three quirky characters who have an equally unusual dream to transform the world through the alchemical power of pharmacy Just as pharmacists work on an elevated platform in their own way Darrell Mala and Jack were born for the stage While growing up in a small backwards American town their outlandish behavior often lands them in a heap of trouble However whether it's leading a bra burning protest outside their high school upending a show trial when one of them is accused of slapping a teacher or an impromptu midnight performance in an abandoned pharmacy on the wrong side of town these lifelong friends are determined to abide by their principles and their dreams no matter what As Tiny Little Pharmacists follows this trio from childhood to adulthood the narrative is as unconventional as its protagonists Not only does it extend hundreds of years into the past linking the practice of pharmacy with the persecution of witches it also reaches thousands of years into the future where pharmacists are being exterminated by the evil American Fried Chicken corporation In a world that dismisses pharmacists as glorified pill counters soon to become obsolete this novel flips the script Prepare for a wild ride through history rebellion and the heart of pharmacy itself After reading this book you'll never look at pharmacists or their craft the same way again

The Great Indoorsman

Andrew Farkas, 2022-03 Foreword INDIES Gold Winner in Humor Many authors have traveled and explored the outdoors both in life and then in their books proving themselves stalwart audacious even heroic Andrew Farkas is not among them He is brave enough to admit that the outdoors isn't for him Instead in these essays Farkas reports on his bold explorations of a very different territory the indoors the waiting rooms kitchens malls bars theaters roadside motel rooms and other places that feature temperature control protection from rampaging predators and a higher degree of comfort than can be found outside Farkas discovers that just as the mannered and wonderfully gloriously artificial indoors influences us greatly our lives are also controlled much more by fiction than by anything real So come in out of the weather it's always terrible and join the Great Indoorsman on his adventures where he makes fun of pretty much everything most of all himself **The Best of**
