Who Wrote the Book of Love? Lee Siegel, 2010-04-15 Who Wrote the Book of Love is acclaimed novelist Lee Siegel's comedic chronicle of the sexual life of an American boy in Southern California in the 1950s Starting at the beginning of the decade in the year that Stalin announced that the Soviet Union had developed an atomic bomb the book opens with a child's first memory of himself Closing at the end of the decade when Pat Boone's guide to dating Twixt Twelve and Twenty topped the bestseller list the book culminates just moments before the boy experiences for the first time what he had learned from a book read to him by his mother was called coitus or sexual intercourse or sometimes less formally just making love Between the initial overwhelmingly erotic recollection and the final climactic moment all is sex beguiling and intractable naughty and sweet Who Wrote the Book of Love is about the subversive sexual imaginations of children And as such it is about the origins of love Vignettes from the author's childhood provide the material for the construction of what is at once comic fiction imaginative historical reportage and an ironically nostalgic confession The book evokes the tone and tempo of a decade during which America was blatantly happy wholesome and confident and yet at the same time deeply fearful of communism and nuclear holocaust Siegel recounts both the cheer and the paranoia of the period and the ways in which those sentiments informed wondering about sex and falling in love Part of my plan Mark Twain wrote in The Adventures of Tom Sawyer has

been to try to pleasantly remind adults of what they once were themselves and of how they felt and thought and talked With the same motive Lee Siegel has written what Twain might have composed had he been Jewish raised in Beverly Hills in the 1950s and joyously obsessed with sex and love *All I'll Ever Need* Mildred Riley,2009-05-01 Newly married both Elyse and her husband Barry want to have a child But before this hope can be realized Barry is called to active duty in Iraq Due home just before Christmas he is killed by a roadside bomb Six months after his death Elyse is summoned to their lawyer s office where she learns that he made a deposit in a sperm bank before shipping out Despite objections from friends and family she decides to undergo in vitro fertilization and gives birth to a baby girl What she doesn t know is that her husband had a daughter as a result of a teenage relationship Complicating her life still further she is beginning to have feelings for Ace Brimmer owner of a local art store Ace truly loves her but what will it take for her to realize that he is all she will ever need to live a happy and fulfilling life **Hackh's Chemical Dictionary** Ingo Waldemar Dagobert Hackh,Julius Grant,1937

Confucius had stressed that correct names make for the best relationships In this case Professor Leo Suryadinata has been pursuing for decades the elusive goal of finding the right name to give to the large numbers of people who have in one way or another made their homes in or made some difference to Southeast Asia I believe that when he and his colleagues selected the biographies to be included here they have taken a big step towards the rectification of identities for many leading personalities In so doing he has done us all a great service Professor Wang Gungwu National University of Singapore

the years passed Capote's moorings to his Southern past grew weaker and weaker and he deliberately cut himself off from the people and places that provided fodder for much of his early fiction. *The Southern Haunting* of Truman Capote is a thoughtful reflection on the literary origins of four of Capote's important early works: *A Christmas Memory*, *The Grass Harp*, *Children on Their Birthdays*, and *Other Voices*. Other Rooms in light of the boyhood experiences that inspired them. Marie Rudisill, a younger sister of Capote's mother, was the only one of her nephew's companions to have known him well his entire life. Because of this close relationship she gained a unique perspective on her nephew's development as one of America's leading novelists. Written at the encouragement of Capote's longtime editor Joe Fox, *The Southern Haunting* of Truman Capote provides a useful point of view for understanding Capote's work. *Federal Register*, 1995-01-03 *Wild Violets* Alma Arthur, 2012-10

It was a different world: streams and woods teeming with fish and game; peeping baby chicks in the U.S. mail reading at night by kerosene lanterns before electricity came; swimming in the cold artesian rivers in the summertime; steamboats on the Mississippi. It was the same world: pop music and big bands; dance fads like the jitterbug; scrimping and saving for college; a little moonshine now and then for one's friends; avoiding the revenue; shrimping and crabbing at Mandeville on Lake Pontchartrain at dusk; winding the old Victrola and replacing the needles; churning butter and ice cream too. It was a wild world: floods and hurricanes. It was a hard world: the great depression followed by World War II; dear friends and relatives went to war and never came back; segregation; black wards and white wards at Charity Hospital; blank-faced men riding the rails looking for work; begging for food; lots of chores and homework. It was a loving world: full of relatives and friends; feasts and games; chasing fire engines with an aunt in New Orleans; exploring museums; boarding the steamship Robert E. Lee; borrowing flowers from the cemetery for Mom's birthday. It was a world of music: Mom singing the old songs; four sisters in the church choir; and the glee clubs at school; listening to the big bands when electricity reached Abita Springs; the songs of the birds when exploring the woods. Come join her in these worlds. You'll laugh and you'll cry.
