President (1989-1993 : Bush), United States. Office of the Federal Register, 1990 **Core Executives in a Comparative Perspective** Kristoffer Kolltveit, Richard Shaw, 2022-05-06 This book examines the contemporary relevance of the concept of the core executive across a range of constitutional contexts covering examples from Westminster system continental Europe and Scandinavia Much study of core executives focuses exclusively on the Westminster system but this book expands that scope to take into account nations where coalition government has been the norm for decades Focusing on the interaction between the political and administrative executives the book addresses tensions between the two that have become increasingly apparent in an age of populism and mediatisation Coronavirus Capitalism Goes to the Cinema Eugene Nulman, 2021-07-08 Using innovative interpretations of recent big budget films Coronavirus Capitalism Goes to the Cinema interrogates the social political and economic landscape during and prior to the COVID 19 crisis and provides lessons for advancing progressive politics in a post pandemic age By exploring numerous films including Avengers Endgame Once Upon a Time In Hollywood 1917 and Parasite this short book provides a deep understanding about neoliberal society in a time of crisis Facilitated by the ideas of Emma Goldman Naomi Klein Karl Marx Noam Chomsky and many more these movies are reinterpreted to point out our political blind spots combat our non COVID contagions and inoculate us into ideological herd immunity From explorations of the supervillain like decision making of our political leaders to the inequalities in infection outcomes that sparked further Black Lives Matter protests this book discusses the central social challenges we face today through the sights and sounds of some of the most beloved films of the very recent past This entertaining and accessible book will reward readers who are interested in contemporary politics in the context of COVID 19 as well as cinephiles and movie goers who want fresh interpretations of instant classics to help explain the world around them More than just informative and amusing this book is a call to action to those activists who want social change in the face of coronavirus capitalism *The Review as Art and Communication* Joey Skidmore, 2014-09-01 The Review as Art and Communication not only presents the idea that book reviews record reviews theatrical reviews and reviews of any genre can be substantive essays on their own expounding and elaborating on the concepts and ideas of the original material critiqued but it also explores the shelf life of the review the

odd phenomenon that just like other forms of art some stand the test of time and some do not This book also collects the book reviews of one scholar Max J Skidmore Sr into one volume using his ideas and themes to illustrate how reviews have a life of their own evolving and developing beyond the original work covered Obama's Challenge Robert Kuttner,2008 Invoking America s greatest leaders Robert Kuttner explains how Obama must be a transformative president or a failed one a president who must succeed in fundamentally changing our economy society and democracy for the better **Tax Is Not a Four-Letter Word** Alex Himelfarb,Jordan Himelfarb,2013-11-08 Taxes connect us to one another to the common good and to the future This is a book about taxes who pays what and who gets what More than that it s about the role of government about citizenship and our collective well being about the Canada we want The contributors leading Canadian practitioners and scholars explore how taxes have become a political no go zone and how changes in taxation are changing Canada They challenge the view that any tax is a bad tax and provide broad directions for fairer and smarter approaches This is a book that will be of interest to anyone concerned with public policy and public affairs economics and political science and to anyone interested in challenging the conventional wisdom that lower taxes and smaller government are the cures to what ails us Doing Christian Ethics from the Margins Miguel A. De La Torre,2014-04-30 Miguel De La Torre opens up Christian ethics to the rich diversity found among those who are often excluded from academic and Eurocentric ethical considerations This book seeks to help students realize that because the gospel message itself was proclaimed to the marginalized peoples of Judea the people who occupy the same disenfranchised spaces in our contemporary cultures are the ones who hold the interpretive key to understanding that gospel message The binding effects of power and privilege institutional or not can be overcome by a justice based ethics that avails itself of the perspectives and experiences of those on the margins Provided by publisher **The New Power Elite** Heather Gautney,2023 A contemporary companion to C Wright Mills landmark work The Power Elite Heather Gautney provides a fresh critique of elites for the new millennium and an updated comprehensive look at the structure of American power and its tethers around the world **Global Village Or Global Pillage** Jeremy Brecher,Tim Costello,1998 In clear accessible language Brecher and Costello describe how people around the world have started challenging the New World Economy From the Zapatistas of Chiapas to students in France to the broad based anti NAFTA and anti GATT coalitions in the United States opposition to economic globalization Brecher and Costello argue is becoming a worldwide revolt Political Correctness in the Era of Trump Luigi Esposito,Laura Finley,2018-11-15 In recent years debates surrounding political correctness PC have once again intensified in the United States and other Western countries Although PC has a long history the term today is typically associated with a type of leftist progressive puritanism that prevents people from speaking their minds or voicing uncomfortable truths that might offend members of marginalized groups or communities In many respects the political ascendancy of Donald J Trump and his appeal to millions of people not only in the USA but around the world hinges on the belief that his presidency represents a repudiation of the repressiveness

associated with PC. Indeed throughout his political campaign Trump declared himself to be an anti PC president who would always speak his mind and tell it like it is. However while many celebrated Trump's maverick anti PC stance others saw this as an attack on basic standards of decency and civil discourse. Timely and important this collection is authored by scholars from various disciplines and will be of interest to educators undergraduate and graduate students as well as anyone interested in the debates associated with the so called culture wars in the West. Each chapter addresses how the PC debate has continued to shape social and political discourse in different areas including race relations gender issues terrorism and national security higher education the media and immigration. The point is made that while some of the criticisms directed against PC are worthy of serious consideration and discussion it is also true that PC particularly in the era of Trump has been increasingly employed as a form of ideological scapegoat to delegitimize and roll back language attitudes values behaviors and policies that are vital for promoting objectives associated with gender and racial equality human rights democracy empathy fairness multiculturalism and inclusive curricula.

Flash Marriage: Billionaire's Keen Love Yao MeiEr, 2020-04-03 Mu Jingyan lightly smiled. Her dimples were faintly discernible on her cheeks and she was as adorable as a fairy. On campus she loved him to the bones with a single glance from far away waiting for him for seven years without any complaints or regrets. Seven years later Ruyi became his wife. Every day he would fight with his mother in law's sister in law for wisdom and courage. Unexpectedly his childhood sweetheart had returned. Li Chengrui under his long and slightly curled eyelashes with his dark and deep ice cold eyes was extremely charming and sexy. Seven years later he decided she was the only woman in his life. He vowed to protect and spoil her for the rest of his life. He hid the incident from her and told her that he didn't want children and was angry at his wife for ten years. Did something happen between me and you ten years ago? If I meet you I'll be with you for the rest of my life.

Democracy in America? Benjamin I. Page, Martin Gilens, 2020-04-02 Important and riveting. The solution isn't to redistribute wealth from the haves to the have lesses. It's to redistribute political power to everyone. Robert B. Reich. America faces daunting problems: stagnant wages, high health care costs, neglected schools, deteriorating public services. How did we get here? Through decades of dysfunctional government. In *Democracy in America* veteran political observers Benjamin I. Page and Martin Gilens marshal an unprecedented array of evidence to show that while other countries have responded to a rapidly changing economy by helping people who've been left behind, the United States has

failed to do so Instead we have actually exacerbated inequality enriching corporations and the wealthy while leaving ordinary citizens to fend for themselves What s the solution More democracy More opportunities for citizens to shape what their government does To repair our democracy Page and Gilens argue we must change the way we choose candidates and conduct our elections reform our governing institutions and curb the power of money in politics By doing so we can reduce polarization and gridlock address pressing challenges and enact policies that truly reflect the interests of average Americans Updated with new information this book lays out a set of proposals that would boost citizen participation curb the power of money and democratize the House and Senate Brilliant indispensable and highly accessible New York Journal of Books

The Other Side of the Fence Sheila Croucher, 2010-01-01 A growing number of Americans many of them retirees are migrating to Mexico s beach resorts border towns and picturesque heartland While considerable attention has been paid to Mexicans who immigrate to the U S the reverse scenario receives little scrutiny Shifting the traditional lens of North American migration *The Other Side of the Fence* takes a fascinating look at a demographic trend that presents significant implications for the United States and Mexico The first in depth account of this trend Sheila Croucher s study describes the cultural economic and political lives of these migrants of privilege Focusing primarily on two towns San Miguel de Allende in the mountains and Ajijic along the shores of Lake Chapala Croucher depicts the surprising similarities between immigrant populations on both sides of the border Few Americans living in Mexico are fluent in the language of their new land and most continue to practice the culture and celebrate the national holidays of their homeland maintaining close political economic and social ties to the United States while making political demands on Mexico where they reside Accessible timely and brimming with eye opening often ironic findings *The Other Side of the Fence* brings an important perspective to borderlands debates

A Myanmar Miscellany: Selected Articles, 2007-2023 Andrew Selth, 2024-09-30 Andrew Selth has been watching Myanmar for 50 years During this time he has published 10 books and more than 400 other works about the country In 2020 he released a collection of almost 100 articles that had been posted on the Lowy Institute s Interpreter website This second anthology brings together another 72 articles written for a range of outlets between 2007 and 2023 This period saw the installation of a disciplined democracy under Aung San Suu Kyi the 2021 military coup and the country s descent into a bitter civil war Many of the articles in the book deal with international relations and security issues but there are also works on Myanmar s history politics and culture as well as some personal reminiscences Together they make a unique contribution from an Old Myanmar Hand with wide ranging interests and insights

Midwest Futures Phil Christman, 2020-04-07 A combination of history memoir reportage and lit crit that taught me a lot about a region I ve reported on Check it out James Fallows *The Atlantic* A Commonweal Notable Book of 2020 Finalist Midwest Independent Book Award Winner Independent Publisher Awards Bronze Medal What does the future hold for the Midwest A vast stretch of fertile farmland bordering one of the largest concentrations of fresh water in the world the Midwestern US seems ideally situated for the coming challenges of

climate change But it also sits at the epicenter of a massive economic collapse that many of its citizens are still struggling to overcome The question of what the Midwest is and what it will become is nothing new As Phil Christman writes in this idiosyncratic new book ambiguity might be the region's defining characteristic Taking a cue from Jefferson's grid the famous rectangular survey of the Old Northwest Territory that turned everything from Ohio to Wisconsin into square mile lots Christman breaks his exploration of Midwestern identity past and present into thirty six brief interconnected essays The result is a sometimes sardonic often uproarious and consistently thought provoking look at a misunderstood place and the people who call it home
