Brady,2019-08-23 God never chooses one of the eleven disciples to reveal what happened at Calvary but chose a persecutor of the church a very religious observer of the Law an individual named Saul Later after his conversion the mystery of the gospel is revealed to him by the revelation of Jesus Christ He Paul becomes the very first and only to preach teach and write about how that Christ died for our sins was buried and rose again the third day which is to be known as the Gospel of the Grace of God **The Jesus Book** Connie Rutter,2016-06-08 My purpose in compiling the four Gospels in what I hoped was chronological order was both to try to understand Jesus as a Person a little better specifically how his Divinity and humanity worked together A Better Understanding (Vol. 1) G. Ancel Killion,2010-03-25 SUMMARY OF WRITINGS All writings herein are resulting from an extensive search of the entire bible to determine if all things being taught about the Christian belief are factual Along with considering those things being taught I have also considered the Bible is not in good order as far as prophecies are concerned Many things God gave his writers of the scriptures were not of benefit for them at that time but were intended for those living in the end times In order to correctly determine the destination of the inhabitants of the earth as God has planned I know it to be a fact that every prophecy has a fulfillment and presented in these writings is what I have found that I believe to be those fulfillments Many things that are found in the Old Testament are written as if they had already occurred so this must be considered when reading those scriptures of prophecy This is just another reason why some prophecies may seem to be out of order In reading my findings most people of the Christian belief will come to realize they are in difference in their belief with what I have found The churches claiming to be of the Christian belief have many different ideas about this belief and by knowing about those different ideas that churches teach I was determined to prove or disprove what I believe some of which to be misguided ideas Those churches that maintain the idea that by the Bible being presented as New and Old Testament in dividing it determining the Old Testament as history only are making a grave mistake In truth much of the Old Testament portion of the Bible contains prophecy yet to come about This includes the very first prophecy of the Bible found at Genesis 3 15 which is only partially fulfilled and contains Gods promise of eventually

removing Satan from power I have determined that God is allowing the earth's population time to come to the realization only He can provide for what man needs to maintain a happy and enjoyable life on the earth. Had He not allowed this time that has passed since the failure of our original parents, those living today would not have had the potential for life He did not create man to live on this planet without needing His direction. The great thing one must come to realize is the fact that God has plans for the earth to return it to what He intended from the very beginning of His putting man on it. He put man in the Garden of Eden for the purpose of populating the earth with His fleshly beings in which He created in His own image. He did not create the earth for it to then become non-existent. Of those that find things that I have put in writing that do not agree, I ask that they at least study the scriptures provided to decide if what they have been taught might be in error. A great amount of man's doctrines have been incorporated many years ago in their teaching that leads those astray that truly want Bible truth. Those that use discernment will know those false teachings are leading them in the wrong direction. There truly are many mysteries contained in the Bible that can easily be misunderstood. Even those chosen by Christ that served with Him while He was on the earth to help with His teaching did not totally understand the destination of the earth until they were told in private what to expect. Most of the false teachings that are found in the Christian belief today were initiated in the very first century after the death of those personally taught by Jesus Christ. In order to maintain those false doctrines being taught in the churches today, many scriptures that prove them in error must be omitted from the Bible in order to present those false beliefs. The greatest hindrance of these false teachings is to those that consider the Old Testament as history only. To those that refuse to accept the Old Testament as containing prophecy yet to be fulfilled, might as well forget about reading any further. These will never come to a good understanding of the Bible.

The Complete Sermons of C. H. Spurgeon, Book 1

(Vol. 1-3) C. H. Spurgeon, 2015-03-22 The story of Charles Haddon Spurgeon's life is nothing less than titanic. Within 2 years and 6 months of accepting the pastorate of the New Park Street Chapel as a boy of 19, the Sunday service grew from 242 to over 7,000 in attendance. What can account for the meteoric rise in popularity? Why did so many wish to hear his sermons? It is the same reason why one ought to study the sermons of Spurgeon to this day: in a famished land of moralism, he preached the bread of Jesus Christ. Containing the first three volumes of the sixty-three volumes published from the Metropolitan

Tabernacle pulpit, this book holds 164 sermons as plump as a partridge and as full of meat as an egg. David A. Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville, Kentucky. **Biblical Preaching and Teaching Volume 1** Dallas R. Burdette, 2009-08 One objective of this book is to set forth the heart of God's Gospel. This volume is composed of a compilation of sermons and in-depth studies designed to strengthen and encourage Christians in their daily walk with God and with one another. Since the Cross of Christ is pivotal to a proper understanding of Christianity, numerous chapters in this book explore the ins and outs of the importance of the Cross in the lives of God's people. Not only does this book focus upon the scheme of God's redemption and evangelism as a part of every believer's

ministry it also calls attention to Christian apologetics that is a defense of Christianity Three chapters are devoted to this kind of study 1 Christianity versus Skepticism 2 Credibility and Candor of the New Testament Writers and 3 Paul's Conversion Apologetic for Christianity Also this book allocates three chapters to the subject of baptism and its meaning to God's children And finally four chapters are dedicated to a detailed study of worship within the Christian community Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website www.freedominchrist.net He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary
