**Screen Comedy and Online Audiences** Inger-Lise Kalviknes Bore, 2017-06-14 The question of why we laugh or don't laugh has intrigued scholars since antiquity This book contributes to that debate by exploring how we evaluate screen comedy What kinds of criteria do we use to judge films and TV shows that are meant to be funny And what might that have to do with our social and cultural backgrounds or with wider cultural ideas about film TV comedy quality and entertainment The

book examines these questions through a study of audience responses posted to online facilities such as Twitter Facebook review sites blogs and message boards Bore s analysis of these responses considers a broad range of issues including how audiences perceive the idea of national comedy what they think of female comedians how they evaluate romcoms sitcoms and web comedy what they think is acceptable to joke about what comedy fans get excited about how fans interact with star comedians and what comedy viewers really despise The book demonstrates some of the ways in which we can adapt theories of humour and comedy to examine the practices of contemporary screen audiences while offering new insights into how they negotiate the opportunities and constrictions of different online facilities to share their views and experiences Between the Lines Uli Beutter Cohen,2021-11-09 From the creator of the popular instagram account Subway Book Review comes a collection of over 150 of the most fascinating and inspiring stories from strangers on the subway a glorious document of who we are where we re going and the stories that unite us *Transgressive Humor of American Women Writers* Sabrina Fuchs Abrams,2017-11-09 This collection is the first to focus on the transgressive and transformative power of American female humorists It explores the work of authors and comediennes such as Carolyn Wells Lucille Clifton Mary McCarthy Lynne Tillman Constance Rourke Roz Chast Amy Schumer and Samantha Bee and the ways in which their humor challenges gendered norms and assumptions through the use of irony satire parody and wit The chapters draw from the experiences of women from a variety of racial class and gender identities and encompass a variety of genres and comedic forms including poetry fiction prose autobiography graphic memoir comedic performance and new media *Transgressive Humor of American Women Writers* will appeal to a general educated readership as well as to those interested in women s and gender studies humor studies urban studies American literature and cultural studies and media studies **F\*ck Feelings** Michael Bennett, MD,Michael Bennett,Sarah Bennett,2015-09 The only self help book you ll ever need from a psychiatrist who will help you put aside your unrealistic wishes stop trying to change things you can t change and do the best with what you can control the first steps to solving all of life s impossible problems *Actress of a Certain Age* Jeff Hiller,2025-06-10 A humorous collection of autobiographical essays from comedian and Somebody Somewhere actor Jeff Hiller who shares his journey from growing up profoundly gay in 1980s Texas to his experiences as an inept social worker and how he clawed scraped and brawled to Hollywood s lower middle tier While struggling to find success as an actor and pay the bills something accidentally happened to Jeff Hiller he aged And while it s one thing to get older and rest on the laurels of success from the blood sweat and tears of your youth it s quite another to be old and have no laurels At forty stuck in a temp job making spreadsheets the dream of becoming a star seemed out of reach But after twenty five years of guest roles on TV and performing improv in a grocery store basement he finally struck gold with a breakout role on HBO s *Somebody Somewhere* playing Joel the kind of best friend everyone wishes they had In his book Jeff dives into the grit and grind of climbing the Hollywood ladder It s a raw and often hilarious tale of the struggles triumphs and humiliations that shaped him into the
