Series of Lessons in Gnani Yoga Yogi Ramacharaka,2007-06-01 **A Series of Lessons in 'Gnani Yoga'** William W. Atkinson,2024-11-24 The Yogi Philosophy may be divided into several great branches or fields What is known as Hatha Yoga deals with the physical body and its control its welfare its health its preservation its laws etc What is known as Raja Yoga deals with the Mind its control its development its unfoldment etc What is known as Bhakti Yoga deals with the Love of the Absolute God What is known as Gnani Yoga deals with the scientific and intellectual knowing of the great questions regarding

Life and what lies back of Life the Riddle of the Universe Each branch of Yoga is but a path leading toward the one end unfoldment development and growth He who wishes first to develop control and strengthen his physical body so as to render it a fit instrument of the Higher Self follows the path of Hatha Yoga He who would develop his will power and mental faculties unfolding the inner senses and latent powers follows the path of Raja Yoga He who wishes to develop by knowing by studying the fundamental principles and the wonderful truths underlying Life follows the path of Gnani Yoga And he who wishes to grow into a union with the One Life by the influence of Love he follows the path of Bhakti Yoga But it must not be supposed that the student must ally himself to only a single one of these paths to power In fact very few do The majority prefer to gain a rounded knowledge and acquaint themselves with the principles of the several branches learning something of each giving preference of course to those branches that appeal to them more strongly this attraction being the indication of need or requirement and therefore being the hand pointing out the path

Yoga for Real People Jan Baker, 2002-05-01 A gentle introduction to the joy of yoga with more than 160 photos For anyone intimidated by crowded classes complicated books headstands or simply touching their toes Yoga for Real People offers a year of classes that progress from beginning to intermediate to advanced levels of practice A down to earth guide for yoga teachers and students alike this book is illustrated throughout with more than 160 photographs correctly demonstrating 100 poses Each lesson begins with a discussion of an important yogic concept before presenting a posture to build flexibility and strength followed by a meditation to inspire mental relaxation and spiritual growth As students build a routine they learn to first do the postures then experience the postures and finally become the postures The appendix includes a complete list of the postures along with a helpful summary of the benefits Jan Baker's gentle and encouraging style teaches you how to listen to your body how to stretch without strain and most of all how to find joy in all things
