He now settles down to enjoy his spoils of victory. He is suddenly stricken with a vicious heart attack. This unhappy event is exacerbated by the news that he needs a new heart to live. He pledges everything within his power to make this heart transplant come to fruition. But the transplant fails, leaving him stone dead. His death eventually opens his eyes to the stark realities of his passage through life. Does he enjoy this scenery? This is all about the story *You Can Count on Me*.

If you can count to four... James Jones Breckenridge, 2022-07-26 Anyone who will in the spirit of humility and sincere desire study and learn how to use the ideas contained in this book can enjoy a full measure of happiness, health, and prosperity according to his individuality. There is an infinite abundance in this universe. Not only is there an infinite abundance of happiness, faith, love, courage, joy, humility, wisdom, generosity, peace, gentleness, meekness, patience, kindness, and all such qualities one could ever desire to express habitually, but there is an infinite abundance of every material thing that one could ever desire to have in order to express his individuality. The reason that so many people do not have the above in abundance is not because there is any shortage; it is simply because they are not aware of how to push the right button of appropriation. All things that one desires are available to one who understands the Laws of Appropriation. In other words, there is a simple set of rules by which all things are obtained, which anyone who really wants to learn them can learn and then be whatever he wants to be and have whatever he wants to have.
