experiences of Abraham Isaac and Jacob culminated in God's people Israel. God's goal always was and still is to have a corporate people to express and represent Him on the earth. The existence of such a people Israel in the Old Testament and the Israel of God in the New Testament depends upon certain kinds of spiritual experiences had by all the people of God. Abraham Isaac and Jacob are the foundation of the nation of Israel. Their experiences were not merely for themselves. Their experiences were to gain a corporate people all of whom know God and experience Him as the God of Abraham Isaac and Jacob. Last of all we include a report concerning the 2005 Chinese speaking perfecting conference in New Jersey.

Experiencing God Terry O'Connor, 2011-08-01 Too many people today suffer silently. They bear up under and carry the weight of hurt, shame and guilt. Constantly remembering what happened. Always thinking the best has passed them by. Hopelessness, worry and the struggle with self-worth consume their days. Their farthest thought is that their tomorrows could be better than their yesterdays. They can't seem to look past the mistakes to reach for success on any level. And then there's God. A loving God that is not only able but willing. He is able to heal and restore. He is willing to touch that life and make it whole. God Himself said in Psalms 46:10 "Be still and know that I am God." These words are much more than a passing comment. They are an invitation that if acted upon will leave you experiencing God. God wants you to experience the joy, acceptance and love He has for you. He wants you to have a knowledge of His love for you gained through experience. There is nothing like God revealing Himself on your behalf that results in restoration, healing, increase and fulfillment such as you have never known. Today hear Him calling you out from underneath the weights of life. It's time to Experience God. *The Ministry, Vol. 09, No. 10* Various Authors, 2005-12-01 This issue of *The Ministry* contains the last nine messages given during the 2004 spring term of the Full-time Training in Anaheim, California. The general subject of this series of messages is the God of Abraham Isaac and Jacob. In a simple basic way the God of Abraham is the God of justification, the God of Isaac is the God of grace and the God of Jacob is the God of transformation through divine discipline. Messages 2 through 7 of the October 2005 issue of *The Ministry* presented the God of Abraham. Messages 8 and 9 of that issue presented the God of Isaac. In this issue Message 10 concludes the fellowship concerning the God of Isaac. Isaac signifies our living a life of enjoying God; hence we live a grace-enjoying life for God's good pleasure. Messages 11 through 17 present the God of Jacob. The God of Jacob who is the God of transformation issues in the God of Israel who is the God of the transformed Jacob. Message 18 presents the Israel of God. All the experiences of the Father, the Son and the Spirit represented by the lives and experiences of Abraham Isaac and Jacob are to produce this corporate person, the Israel of God. We do not have the experiences of the God of Abraham merely to be spiritual persons; we do not enter into the experiences represented by Isaac simply to be individuals enjoying God's grace in a personal way and we do not go through all the experiences represented by Jacob's long life just to end up as spiritual individuals who have some spiritual stature. God desires a corporate person. He wants a people to express Him and represent Him. Last of all we include a report concerning the Lord's move in the United Kingdom. *PURSUE,*
