## **Your Liberty In Christ:**

*The Use of Liberty by the Servant of God* Amariah Chandler, 1833      **LAUNCH** Jamie Tickel, Should the following course of discipleship look familiar in the arrangement of its topics and substance it is because much of its content has been adapted from other widely distributed courses of discipleship produced by various churches and individuals We are much indebted to whoever may be responsible for the original work on the format of this study There is nothing deep or spectacular about the material but there is something very powerful about the pure words of God and this power is often manifested in a life changing way when believers gather around its truths and study its precepts with the help and direction of the Holy Spirit This series of studies should provide the learner with a good introduction to that which we as believers have been commanded to observe Ideally the lessons will be taught by one believer to another or a small group of others If the scripture references are viewed and read the outline will pretty well teach itself Each lesson is followed by some simple questions covering the principles addressed in the lesson Another very important part of these lessons is the memory work at the close of each study Memorizing the assigned scriptures will be essential to getting the most out of this discipleship course It should be remembered that discipleship is not a series of lessons but a commitment to follow the Lord Jesus Christ and a process of growth as He leads us in the Christian life The completion of this material will not necessarily make anyone a disciple of Jesus Christ but a disciple is a learner and contained in the scriptures provided herein are some of the truths that are an essential part of walking with the Lord We hope that it will be approached prayerfully and that the Lord might use it to be a blessing as you grow in grace and in the knowledge of our Lord and Savior Jesus Christ 2 Pet 3 18      *Stand Fast in Your Christian Liberty* Barry S. Ross, 2014-01-15 Christian liberty is one of the most debatable doctrines within the Christian faith It is because of this doctrine that there are many divisions within the Church in our modern time Most sincere Christians are tossed to and fro with every wind of doctrine thus running from Church to Church Most that profess the name of Christ do so without biblical knowledge of biblical doctrines of the Christian faith because they do not take the time to study their own bibles God have said that his people perish for the lack of knowledge There are lots of judgmental spirits within every Church which is forbidden of God in the Scriptures These spirits cause divisions within the body of Christ Most are not like the Christians in Berea that searched the Scriptures being more noble than the Christians in Thessalonica in that those of Berea received the word of God with all readiness of mind searching the Scriptures daily to see for themselves whether the teachings of the apostles were in fact the things written in the Scriptures Most today fail terribly in this area thus taking the word of those that claim to be delivering God's word to them and thereby many are deceived These do not know where they stand in Christ Jesus Christians are no longer under the law but under grace Jesus Christ have redeemed us from the curse of the law becoming a curse for us that we might become the righteousness of God through him There is now no condemnation to those that are in Christ Jesus who walk not after the flesh but after the Spirit For under the new

dispensation of the gospel we are under grace For the law of the Spirit of life in Christ Jesus have set us free or have liberated us from the law of sin and death Therefore we have liberty in Christ Jesus Paul asked the question Why should my liberty be judged by another man's conscience We are liberated by Christ Jesus but we are not to use liberty for an occasion to the flesh or to sin nor are we to allow our individual liberty to become a stumbling block to cause others to fall into sin but we are to serve one another in love Paul said that all things are lawful for me but all things are not expedient all things are lawful for me but all things edify not Paul said that he kept under his body and bring it into subjection He said all things are lawful for him but he would not be brought under the power of any The apostles warned of those who have crept into the Church unaware that would attempt to chain us again to the law of bondage from which Jesus have broken the link in the chain setting us free Under the new dispensation Christians are free to do or eat what one please so long as it is done or consumed in faith for anything done or consumed which is not in faith is sin If the thing allowed is not against God or the law of the land Christians have the liberty to do it as long as their liberty does not cause another Christian to stumble Scripture says Happy is the he that condemneth not himself in that thing which he alloweth Don't allow another man's convictions intrude on your individual liberty God is not going to judge you by another man's conscience but your own in the things which you allow On the other hand the apostle says it is wrong to allow your liberty to cause another to stumble He said the right thing to do in this matter is to keep from eating meat drinking wine or doing anything else that will make another believer fall Keep what you believe then between yourself and God and leave judgment to the Judge of whom we all must stand before and give an account of ourselves Scripture instruct Christians to Let no man therefore judge you in meat or drink or in respect to any holy day or the new moon or the sabbath days which are a shadow of things to come but the body is of Christ Stand fast therefore in the liberty wherewith Christ hath made you free and be not entangled again with the yoke of bondage This book is a must read to every sincere believer
